Trusting the Lord to Supply Your Needs

When someone is living for Me and has put their trust wholly in Me, then they can wholly believe that when I've called them to do something--no matter what it is--and they obey Me and step out by faith to do it, I'll supply all their needs accordingly. (1)

Claim My supply and trust Me to give you what you need. (2)

Is there anything too hard for Me? Do you believe? Only trust in Me and have faith. Turn your eyes upon Me and look unto Me. Continue to keep Me as your First Love and trust that I will be all that I have promised. Trust Me. Fret not about tomorrow and worry not about how I will supply. Look not at the circumstances or the conditions around you, or at the waves, and wonder how I'm going to provide. For that is My concern and that is in My hands. All you have to do is bring Me your heart's petition, and then trust wholly in My capability to take care of you. (3)

I am not a man that I should lie, nor the son of man that I should repent. Have I said and shall I not do it? Have I not promised that I will supply your every need, that I love to give more than you love to receive, that I would open the windows of Heaven and pour out a blessing you could not contain, if you would but trust Me and believe My Words and obey them? (4)

You see how I take care of the birds? How I supply food for them, shelter for their young, and how I put a song in their heart, how carefree and happy I make them?

That's exactly what I would like to do for you too, every day of your life--care for you, supply all of your needs, and make you carefree and happy. All you need to do is come to Me and trust in My power that I am able to do it, and I will. (5)

(Jesus:) The God factor means that I have opened to you the riches of the universe, I have put before you a great reservoir of supply, and it's yours for the asking, yours for the taking. The God factor means that if you will put your trust fully in Me, you will lack nothing. (6)

(Jesus speaking:) Look to My Own sample. For when I was faced with the crowds and the multitudes, I knew I could not solve the problems. How was I ever going to come up with enough food to feed 5,000 people from a mere five loaves and two fishes. That was an impossible task! But I did not worry about it! I could not worry about it. I only had to accept by saying, "Yes, Father, You are right, I cannot do this. I cannot, but You can." And My Father did! He did what I, in My human strength, could not do.

And you know, I did not feed those 5,000 by organizing fishing boats and sending My disciples out to catch fish first thing. I fed the 5,000 by quiet trust and full assurance, knowing that what My Father had promised, He was also able to perform. All I did was look up and cast

My burden on My Father. He sustained Me, and He sustained the crowds, and 5,000 ate that day.

But I had to truly trust first. I had to take the stand of faith first for My Father to do the miracle. Then afterward came the organization and distribution of the goods, but the quiet trust and the stand of faith came first. (7)

So take your choice--whether you choose to look to Me and obey and stand up for your convictions and trust Me to supply, even in the face of all odds and even when things look impossible, or whether you choose the way of the arm of the flesh, to compromise, to go the way that looks easier, more logical, the way that would naturally seem more fruitful and more productive.

But if you trust in Me, I will be able to do miracles! I will be able to open doors where there are no doors. I will be able to touch people's hearts. I will be able to lead you and guide you. I will be able to do the unexpected, the miraculous, the supernatural! I will be able to bless abundantly, because of your obedience and upholding the standard of the Word. (8)
