Psalms.139:23,24

Search me, O God, and know my heart: try me, and know my thoughts:
And see if there by any wicked way in me, and lead me in the way everlasting.

Honey I can see your mind and your thoughts… are you still holding on?

Still clinging to those empty pipe dreams in your words and in your thoughts?

Psalms.119:113 I hate vain thoughts: **but thy law do I love.**

Let Me fill your thoughts, let Me comfort you with loves and with whispers of love. Be wholly Mine, with no other distractions.
That you have no mind of your own, no thoughts of your own, no ideas of your own, no plans of your own, but that you seek Me and that you operate according to that which I show you.
(Loving Jesus Jewels)

Psalms 139 20-22
For they speak against thee wickedly, and thine enemies take thy name in vain.
Do not I hate them, O Lord, that hate thee? and am not I grieved with those that rise up against thee?
I hate them with perfect hatred: I count them mine enemies

When you hear the enemy's voice whispering horrible things about Me , about My Word and My way you need to realize he's putting Me down, he's discrediting Me and making Me look bad. Are you going to stand for that? Are you actually going to listen to him? Oh please don't! Don't listen and believe him and what he tells you! He is working very hard and speaking terrible things about Me to you. Rise up in perfect hatred for him and cover your ears to his voice. He's trying to break down the love we built. Why listen to your enemy over Me? I love you, why are you believing all that crap anyway? I see that he is playing on your emotions and using them against you, but darling see him in his vanity and hate the lies and shuck them off. Cast them from you. Fight for Me and despise My enemies. Hate them for the lies they have told so many and are now trying to tell to you.
Get angry at him! He's trying to cover your ears and eyes to My love and beauty.
Count any who stands between us your enemy. Whether it be that evil voice in your head, or that "beautiful thing" that is tempting you. Count them your enemies and refuse to give them any time. Whether indirectly or directly they speak My name in vain, because they are pulling you aside and anything that does that is your mortal enemy. Some enemies are blatant and blaspheme Me clearly. Other enemies the more deadly ones, don't talk about Me at all, they just pull you aside and blindfold you. These are just as blasphemous, because they acknowledge Me not, they only tempt you and these are your sworn enemy. Whether it is a disgusting devil ripping apart your mind with obvious vile lies, or the "angel of light" seeking to suffocate you in their sickening blanket of fake beauty and love. Count them your enemies and hate them. Take out your sword and fight against them.
Hate with perfect hatred whatever seeks to pull you from My side.
Let your love for Me be perfect, because you hate everything else...did I not say in My Word that anyone that doesn't hate even his loved ones yea his own life cannot be My disciple? How much more then should you despise these things that seek to come between us, things that "speak My name in vain" and tempt you to agree and become bitter and angry against Me. My love why believe them over Me? Let your heart be grieved when you hear such things, because honestly you know Me better than that. Haven't you seen My hands on you so many times. Just because it's hard right now doesn't mean, I am all the things they vehemently whisper in your ear.
If you have to shout out that you don't believe them, do so it will remind you just how much I have done for you and how their words don't even make sense. If you have to cover your eyes so you don't see whatever your enemy is trying to offer you, do it , but make sure you open your ears to My voice telling you the truth about what "beauty" there are offering you. Ashes in your hands My love... remember that they turn to ashes.
Feel Me and let your spirit touch Me and understand that I last forever.

I am forever, in the end I am everlasting where everything else is so just vaporous and fading. Speak to Me and reassure Me that you don't believe their lies, tell Me that you believe Me and nothing your enemies say can get you away from My side.

YOU CAN DECIDE NOT TO BE A CERTAIN WAY. A lot of it has to do with your own will, your own desire, your want to change, but then you have to decide that you want to change, because if you don't, you won't! It's real simple!(Battles & Victories [#001])

Though you have forsaken it in theory…it still resides there in your mind waiting to strike you when you let down your guard or when you have a weak moment. Its roots are deep, deep in your heart and unless you are willing to dig deep and root it out –there it will stay and it will eventually pull you away. You know what it means to fully let go and fully remove something from your life.

Do you understand? When I say EVERYTHING…that means you are empty-handed and you have truly let go. That doesn't mean not having battles, it means truly letting go and you know what that means. You know what it means to fight something tooth and nail, day and night and you know what it means to let something reside in your heart unseen. It comes out in your words and it comes out in your actions…there is still a part of your heart that is not Mine. When your words are discontent, foolish and mocking that's a sign that it's still there.

To grow spiritually as you are meant to, you have to let go of it COMPLETELY.

PSA.143:10 Teach me to do thy will; for thou art my God: thy spirit is good; lead me into the land of uprightness.

ONE OF THE FIRST THINGS THE LORD SHOWED DAD ABOUT WHY ALL THIS WAS HAPPENING to Techi was that the Lord was trying to make her into a FIGHTER.--To change her from being a rather passive, indecisive, sluggish & somewhat stagnant little girl, into an AGGRESSOR & militant FIGHTER in spirit.--To stimulate & stir her up, to make her so desperate that she HAD to fight, to truly go on the OFFENSIVE & ATTACK!

THE BATTLES TECHI HAS RECENTLY GONE THROUGH HAVE BEEN SO HEAVY that she's seen that she COULDN'T make it on her own, the way she had been drifting along before. If she was going to come through & gain victories she was going to have to get DESPERATE & really FIGHT as she'd never fought in her entire life. She realised that she would have to make a serious commitment & fight to maintain it. No longer could she drift along in her own peaceful little dream world, oblivious to the battles that were being waged in the spirit.(Blessings From Battles!)

WHEN I WAS HAVING BIG PROBLEMS MYSELF, I REALISED THAT IT WAS WAR, & the only way to win was to be as militant about it as the Enemy was being, & it took desperate prayer! When you call on the Lord with your whole heart, then He will answer! What really pulled me through was total desperation & total fight!--Which the Lord gave me the strength for, I didn't have it myself. I just cried out to the Lord & then had to really take the stand! You're fighting the attacks of the Devil on one hand & the Lord on the other because of unyieldedness, & there's no victory there, it's a losing battle! AS LONG AS YOU'RE NOT PUTTING THE LORD FIRST, YOU'RE GOING TO BE A MESS! And the more & more you yield to the problem, the worse & worse it's going to get. It's going to destroy you! The victory's there, you just have to want it no matter what the cost!--And the cost is going to be to put the Lord first in your life no matter what, because the most important thing is your relationship with the Lord & your service for Him!
I KNOW WHAT I'M SAYING IS 100% RIGHT, BUT I ALSO KNOW IT'S NOT THAT EASY TO DO, & IT TAKES THE LORD'S HELP TO GIVE YOU THE GRACE TO DO IT! But you've got to get the victory, because if you don't, you're going to go crazy!
SO FOR YOUR SAKE, FOR YOUR SANITY & FOR YOUR CONTINUED SERVICE TO THE LORD,

YOU'VE GOT TO GET THE VIC. In other words, to have the victory & to defeat the Enemy in this thing is worth it, no matter what it takes, & it might take everything! But if it does, it's worth it, because if you don't get the victory, it's going to destroy you. It's that simple. But you have to be willing to do whatever it takes.
JUST DETERMINE HERE & NOW THAT NO MATTER WHAT, YOU'RE GOING TO PUT THE LORD FIRST! Because if you'll do that, that's the victory, that's the answer, & without that there is no answer, there is no victory! **Because as long as you're putting something before the Lord, He's not going to bless it.**

(Battles & Victories [#001])

How can change from what I am into what you want me to be?

It will take determination and most of all a desire to find and know Me. it's so easy to just float along and just do the minimum: getting word time at word time and reading what you know is good, but to really go places there has to be **desire;** Desire for Me and desire to leave behind the old and to reach out to what I am offering. It's easier to stay the same and not try, but you don't hear My heart or My deep secrets and you don't really find Me satisfying either. Yours is a quest, not a hopeless one, it can be thrilling, but you have to put your whole heart into Me. You receive as much as you give, so if you want more of Me right now…give Me more and don't hold onto your evil doubts. You are always supposed to be searching and looking for ways to be closer to Me. And in this perpetual searching and finding is your satisfaction. So keep walking and as you walk you will be leaving more and more behind and you'll be getting closer to Me.

Use your weapon of prayer and pray for yourself that you have to strength to change, but above all get closer to Me through loving Me intimately which will give you the strength to really have the desire to change in order to be closer to Me. (end of message)

If I am anywhere less than first place in your life you can't truly rise above

The call of My Spirit to you now is a call to recommit yourself to discipleship. I see every detail of your life and heart, I know about it all, and I care a great deal.

It all matters to Me, and I do want to give you answers--answers to each of the questions on your heart and mind. Yet I also want you to be aware that a large part of the **problems and issues and battles you're faced with will be solved through your simple rededication and re-evaluation of your life and heart as a disciple.** Can't you feel the change already? Since I've been speaking to your heart through these recent GNs, since I've personally called you to recommit yourself to the basics of discipleship, hasn't some of the heaviness been lifted?

You see, when things are in proper perspective and you have your priorities in the right place, then everything about life somehow "falls into place," at least somewhat. For a while now, little by little, you have let your perspective and priorities drift, and I haven't been in first place in every area of your life. There are several ways in which you let Me get pushed out of that place, because you were focused more on yourself, on your own needs, on your own desires, goals, ambitions. It's not that your hopes or expectations or desires were so wrong or so unreasonable; the problem is **just that you let yourself get focused more on yourself than on Me**, and on your own little world than on the big picture.

Now I am calling you to more simplicity--the simplicity of forsaking all in your heart to follow Me fully; the simplicity of forsaking some of the trappings that have complicated and cluttered your life, the things you have let become too important to you.

That's the big picture when it comes to being My disciple. That's the big goal, the focal point, the crux of it all. If that is straight and clear in your heart and mind, that you are above all things My disciple, My servant, My slave if

you will, then you have the big picture as far as your life and service to Me. Then you can look at everything else in perspective and the “cares of life” are far less overwhelming.

Recommitting to discipleship is at the heart of rising above. You can only rise above the weights and drags and discouragements of life when your heart and mind and eyes are fixed on Me above all things.

If I am anywhere less than first place in your life you can't truly rise above, because there will **always be something pulling you down, pulling you away from Me.**

But as you turn toward Me, toward My light, and open yourself up to Me, as you put Me in the true center of your life--and not only by mental acceptance, **but by your words, your deeds, and the way you spend your time**--then you are given the power to rise above, to be an overcomer.

You have the heart and spirit of an overcomer, My love**.** You have the power, through My power and because of your own dedication and the commitments you have made, even though long ago, which you have faithfully held to. **But you are also easily distracted, and there are a multitude of things which pull your heart and mind away from focusing fully on Me.** *(Rising Above!)*

Heart and thoughts angel speaking : I know what gets you and you know and the enemy knows, and it’s just so hard to get through to you when you are become so focused on other things. You grow discontent and look around for something to fill that longing. And your word time hasn’t been very feeding either so you are feeling pretty dry and unsatisfied with the spiritual. This is one of the most dangerous downward spirals because you don’t realize that you are living half a life. The Spirit should be satisfying you; you have battles yes, but you shouldn’t look for other things when it comes to satisfaction. You have to seek if you want to find; you have to knock if you want it be opened to you, but if you are just living your life going about in half-dedication…you will not be able to be fulfilled in your service. You must **pour your whole life and heart** into being what the Lord wants you to be. You have to embrace the hard things He asks you to do. You have to use up your free time and free moments with the Word and loving the Lord. You have to allow yourself to fall in love with the Spirit, but how can you if you are saving your heart for your hopes and imaginary dreams. You have stir yourself and read and study and fill up your mind with the Word even if you don’t feel like it. It’s satisfying you even if your flesh is crying and wishing for something to satisfy itself. Your flesh is dying, yes, but that’s how your spirit can grow stronger. Dying is painful and sometimes it can go on for so long…that feeling of dying inside, but it’s worth it and darling He is feeding and satisfying your spirit. If you are looking to satisfy your flesh, that journey is endless and meaningless and selfish, but if you leave yourself in His hand He will satisfy you in body and in soul…there’s nothing to fear in letting go, there’s only beauty here if you open your eyes to the things of the spirit world. So much is right there within your reach. To receive all you must give all and to give all you must drink in and absorb the Words of life at every spare moment and you must turn your face away from beholding vanity…then He will meet you. I love you!

If nothing else satisfies you, if you still have that emptiness, that aching void in your soul, listen to this verse, "Jesus Christ is a satisfying portion."
(If I Gained the World)

What is life without You …close by me!!

Your life is hardly worth living if you don’t give all. If you haven’t put your all into this then you won’t receive all that we have for you.

You must fight--fight every minute, every second! Rebuke the Enemy's negative thoughts. Rebuke his perspective. Rebuke the logical, reasonable "spin" he puts on things. Give no place to the Devil!

After you've been rescued from the clutches of the Enemy, you must be strengthened in the Word. I will set you free, I will deliver you, I will give you the spirit helpers that you need, but you must do your part. You must ask for prayer and then drink deeply of the Word. The Word is your only defense against the Enemy's return. The Word is what will build up your spiritual defenses. The Word is what will give you the

strength to pick up the weapons and begin attacking again. The Word is the only protection you have in this spiritual warfare.

As you're recovering and being strengthened, you must resist the temptation to analyze and talk about why you shouldn't be expected to do this. I will not ask anything of you that is too much for you. You must resist the temptation to talk about your problems, how bad things are, how miserable you are. What you say, what you think, that's who you are! If you speak faith, enthusiasm, fresh inspiration, renewing and happiness, all these things will be given unto you.

After you've been converted, strengthened, and salvaged--strengthen the brethren. You'll be a light and a shepherd to others who may weaken or waver, helping to give them the faith that they can make it, they can hold on.

(Spiritual Attacks Intensified! [#3255])

Be strong!

We are not here to play, to dream, to drift;
We have hard work to do, and loads to lift.
Shun not the struggle; face it.
'Tis God's gift.
Be strong!
Say not the days are evil--Who's to blame?
And fold the hands and acquiesce--O shame!
Stand up, speak out, and bravely,
In God's name.
Be strong!
It matters not how deep entrenched the wrong,
How hard the battle goes, the day how long,
Faint not, fight on!
Tomorrow comes the song.

You have to have conviction or you can't live!--And then you have to do something about your conviction, or you can't stand to live with yourself!--David Fontaine

(To Deny Self Is to Become a Nonconformist)

This is a challenge to throw off your present mindsets. Don't limit Me with your thoughts or ideas of how I can change you. My abilities are limitless. If you're willing to put your will on My side and stretch yourself and become hot and on-fire again, I can make you into a wild and radical disciple just like before. Or if you've never experienced that in your life, just give Me a chance, and you'll see what a thrill it is to be in My Endtime Family. You'll finally see what it's all about, and why it's worth living and dying for Me.

It's really not worth living in the Family or dying for Me if you're half-hearted or have lost the vision. If your dedication has waned to the point that you figure, "Well, the Family's a great place, but people just aren't like they used to be … the fire has gone out … something is missing," then you need to ask Me to light your fire. I can and will, but you must be willing to forsake all your personal trips and give Me a solid chance at your heart. Let Me have full control and see if I won't make you into a new person--a happier, fulfilled, on-fire individual--moving forward and 100% sure that the Family is where you want to spend the rest of your life.

What do you think? Do you look around and see people who need a little more fire and umph in their lives? Look in the mirror. Are you one of them? If so, start right there with the person in the mirror and let's give you a makeover. Let's get back to discipleship and forget all these lies that the Enemy has put in your mind. Let them go and ask Me what step number one is to rewiring you and getting you back to the basics! Once you've taken that step, I'll show you what step number two is, and then three and four. And before you know it, you'll be making great leaps of progress! *(End of message from Jesus.)*

(Are You a Disciple? [#3365])

So it's nothing to be discouraged about or to condemn yourself for, it's just the way it is when you're trying to change bad habits. When you're changing your thought patterns it takes a lot of work & a lot

of time, & at first you're bound to automatically fall into the same rut or mindset that you've been in for months or years or however long it's been. But with the Lord's help & His power--& also your will power--you've got to deliberately change that automatic bad response into the right response.--And the Lord will help you & the Lord will do it

The only thing we want to see--as the Lord wants to see--is that you are yielded to the Lord's will, whatever He wants, & that you're willing to work to accomplish those goals. You've got to be willing to work on these bad habits because it's going to take some effort to overcome them. But you've always been a good worker & you've never been lazy, so I think you can be a pretty good fighter & I think if you determine to make up your mind to do it, the Lord will certainly help you to pull through victoriously. The Word says, "If there first be a willing mind," He'll accept it.--2Cor.8:12

Once someone has formed these bad habits, they've got to break them. In a sense, you almost have to pay for your sins that way. When you've accumulated all these habits & negative ways of thinking, it costs something to change them, & you've really got to work at it. It takes quite a bit of blood, sweat & tears to change them. Of course, you couldn't even do it if you didn't have the Lord's help, but He can't do it without your help either. What you sow you rea p, & bad habits are usually things that take a lot of effort to break.
You've got to challenge the Enemy face to face, teeth to teeth, & believe the Lord is going to bless it! Hallelujah! TYJ! PYL!--And not worry about the consequences.

YOU DON'T ALWAYS GET THE VICTORY HANDED TO YOU ON A SILVER PLATTER. By faith you do get it, but you have to fight for it & do more than just claim it, you have to really practise it & appropriate it until the Enemy knows you're not going to give up, until he knows you're going to keep it & you want it that much & you're no t going to just throw it away

(Battles & Victories)

For you should have **no thoughts but Mine**, **no desires but Mine**, and you should seek **only to go where I would lead** and not in your own way in anything.
For if you will follow Me hand in hand, footstep by footstep, I will lead you to new heights and new places. I will lead you to new horizons that you have not even dreamed of. (Loving Jesus! Part 6)

Heart and thoughts angel speaking : How can you really experience us if your heart is always longing for other things? There's so much at your fingertips if you'd just reach out to discover it. In the beginning you have to force yourself to come to us and allow your hunger, your desire pour out to us. Your desire is not wrong, but you must learn to point them in the right direction, so whenever you are hungry and in need you come to us and know us, and uncover these hidden and veiled things. The enemy wants to pull you away every time you are a bit empty and fill you with his thoughts and pictures, which do not satisfy, but only cause immense discontentment…that is how he draws you in. There's always a time when you find yourself a bit empty and alone, it's those times that the enemy wants to take you and fill you with himself…eeeww gross, but that's exactly what's happening when you sit there daydreaming or not really doing much expect wishing for things. When you are like that he can throw in anything he wants and really cause damage to you. So darling, come tune into the heavenly chimes and remember from whence you came. Don't let the world besmirch you. Follow hard and we will lead you to "new heights and new places". If you don't let go we can't fill you with our beautiful visions of your true home. Fill your mind instead with praise and the intense longing for other things will fade. Let the golden keys fill your mind with the golden elixir to cleanse your mind and create in you a clean heart. Call on the Golden Keys for these are the keys to wash away the world and replace your desires with His desires. (End of message)

What is the purpose of your life, your existence? It's to love Me, and to love and serve others. You have to keep that in the forefront of your thoughts and mind in all your decisions. Unfortunately you've let some of that selfish spirit of the world influence your mind and heart. Not to the degree that it has some, who have taken things so far as to want to leave the Family to get jobs and make money and buy houses and so forth, but in a subtler way, through a sort of “me first” and “look out for number one” attitude that has crept in. That attitude obviously stands directly in the way of putting Me first. It is what leads to most of your other problems or distractions. If yourself is first, then how can I be first? That's the crux of that matter, and that's what needs to change and is changing now in your life.

I'm calling you to leave your self and your own desires, as well as your own opinions, further behind. I'm calling you to be My slave, My robot, willing to do whatever I want, and to do it happily, rather than arguing and reasoning and negotiating all the time. I'm calling you to seek for the good of the Family, the good of the Kingdom, the good of lost souls, above your own good and your own satisfaction. I'm asking you to, within your Home here, let the needs of others and of the Home and work overall become more important to you.

Let Me open your eyes and expand your horizons. For both within the Home, and within your ministry, there is much more you could do and more ways in which you could serve more effectively, if only your mindset were different, if only you wouldn't be so set in your mind as to what things you do or don't do or can or can't do.

You've been bound with chains forged by the Enemy--chains of lethargy, of apathy, of indifference, of selfishness, of carnal thinking, of negativity, of hopelessness. There is so much to hope for and look forward to! The future is as bright as all My promises! There's nothing that the Enemy or your enemies or anyone can do to thwart My plans and defeat My program. We will overcome! We will be victorious! You are on the winning team, and we are going to go places! It's up to you, though, what kind of player you'll be on the team--whether you'll be a member who mostly sits on the sidelines and cheers and fills in for the other players every now and then; or whether you'll be one of the star players, one who gets out there and runs and pushes for all you're worth, and gives it your all! I'm not just talking about pushing in your work here, and I hope you understand that. Focusing too much on the work is another way that you can push Me aside from being in first place, and a very common mistake that is made. I'm talking about your overall life--about your work, your time with Me, your interactions with others--everything being filled with the zeal and dedication of being My disciple.

It's the joy of salvation that you've been feeling the lack of, and I want to restore that to you now. There are other issues and problems in your life, but these will fall into place far more smoothly once you have that joy of your salvation once again coursing through your spiritual veins. It will bring you life, light and nourishment.

How do you get that? How do you feel that? Start by rededicating yourself to Me in spirit. Even now, this very minute, you can rededicate your heart and spirit to Me. You can place it all in My hands. You can determine and commit to giving Me first place. Start with your time. That's what really counts. Whatever matters to you, you spend time on. Fight to take more time with Me, to take good quality feeding, refreshing, renewing time every single day reading My Words, hearing from Me, praising Me, loving Me, communing with Me in prayer. Do each of these things every day. Maybe sometimes you'll take a half hour for each, maybe sometimes just a few minutes, but if you are striving to at least touch on each of these facets of your spiritual life, and seeking Me for how to make these times we have together really count, then I assure you that you will be so much better off. You will be happier, you will be more efficient and effective--and above all, you will be pleasing Me, you will be serving Me wholeheartedly as a true disciple, and thus your witness and power and effectiveness will be so much greater.

It's not that you haven't been a disciple all along, but I want you to now be a more active one, more forceful in spirit. It's that forcefulness and determination in spirit that will combat lethargy of spirit. Pray for that. Seek for that. It's the keys of the Kingdom that will help bring about that assertiveness and vigor in your life.

I want you to determine and will to fight for changing things in your own life, and in turn in your Home and ministry, so as to suit them more to My design, to My plan, to My highest will. Be willing to be a fool for Me, to be a robot for Me, even if it makes you feel stupid or like you're not yourself any more. You'll be a better self, a self more filled with Me, and that's what really matters. *(End of message from Jesus.)*

(Rising Above)

But how long do ye halt between two opinions?" (1Kg.18:21.) "A double-minded man is unstable in all his ways." (Ja.1:6-8.) There's nothing that tears you apart & tears you down quicker than indecision.

(Breakdown)

Blue Angel speaking: I shall not want simply means that...not wanting things to make it better for yourself. To the untried mind that is a bitter call, but to the one who has been stripped of SELF it is like the call to finally fly and be free. He is leading; He is your Shepherd, why look elsewhere. Breathe and look into His eyes. Take my hands and I'll teach you what that means. This is the call to you and this is the writing that must be written on your heart. If you want to be with us, you must learn what it means to not want. Doth this offend you? I say we have to make the entrance exam the hardest. To enter into the sphere of a blue angel is no small thing. We are and have to be wantless, that means all our hunger, all our desire is poured into Him and He decides what He will do with us. Whether the things He uses us for are beautiful or something that is painful is not our concern, we simply have relinquished our freedom to do as we please. In wanting Him so completely we have lost the desire to ever say no to Him. (End of message)

Jesus, my Lover, You are everything to me. My heart's desire is to please You to the greatest degree possible, to allow You to use me in the way that You know is the best. You've given me everything, held nothing back, laid down Your life for me. You've saved me forever, joined together with me as Husband to wife, made my life worth living. Everything that I value in this life came from Your hand.

107. Dear Love, I ask You to work in my life in whatever way You need to, to make me what You want me to be. Jesus, anything in my life that keeps me from You--and I know there are things that do--anything that keeps me from knowing You more, from loving You more, from serving You more, please take those things out of my life. Any change that You need or want to make in my heart, please do whatever it takes to make that change. I trust You completely, Jesus. I trust Your love and Your wisdom and Your will.

108. Jesus, please instill in my heart a desire to see You work in my life in a greater way, at whatever cost. Help me to love You more completely, more fully, more desperately. Help me to not hold back in the least. Do whatever You need to do, my Love, to get me out of the way so that You can shine through. When my pride gets in the way, humble me. When my selfishness gets in the way, help me to experience want. When my own will gets in the way, help me to fail. When my flesh and my carnality get in the way, crucify them so that Your excellent spirit can pour through.

109. Jesus, I don't want to pass from this life having given only what You <u>required</u> of me, having done the <u>least</u> I could do, or even <u>half</u> of what I could do. I want to be <u>all</u> for You that You want me to be. I want You to use me to the greatest extent that You possibly can. Please do whatever it takes to purge out the dross and the impurities and the hindrances that prevent that. If that takes a physical purging--sickness or weakness or ill health--then do whatever it takes in the flesh to accomplish that. If it takes a spiritual purging--loss, distress, humiliation, trials or troubles--then I ask You to bring that into my life.

110. I know You'll give me the grace for anything that You know I need, to accomplish good things in my life, to make me more like You, more full of Your love, Your empathy, Your Spirit. Give me faith to endure any hardness, to face any test, to make any sacrifice, to accomplish Your will, to reach others with Your love, to do what You want me to do, to be what You want me to be. That's my sincere request, my heart's desire, my prayer

(Being Re-created! [#3346])

<u>I want to warn you that you are unprotected when you're like that</u>!--You're not "bringing your thoughts into captivity" or ruling over your own spirit. The Word says, "He that hath no rule over his own spirit is like <u>a city that is broken down, & without walls</u>."--Pro.25:28. When you habitually just let your mind wander off like that, it's like your defenses are down & you're <u>unguarded</u>.--And when your spiritual "walls" are down, you're leaving yourself wide open for the Devil's attacks, & the Devil's bad thoughts can come & easily enter your mind & trouble you.

5. When your mind becomes so used to not working & just taking the path of least resistance, it is then no longer prepared to resist & fight the attacks of the Enemy. If it hasn't been exercising to make itself strong, it becomes very weak & powerless against the Devil's attacks. An unguarded or undisciplined mind like that can become like a robot that the Devil can just take over & use however he wants, & you'll have no more say in the matter. Only the wonderful power of Jesus & very hard, hard work on your part can help you to be able to win your mind back for the Lord.--So let's go on the attack with the powerful weapons He has given us, amen? PTL

(More on Daydreaming!)

One of the main reasons for our success has been our willingness to face the facts, to tell it like it is & know where it's at!--To refuse to continue to drift along in that dream world

(Faithy's Deliverance from Alcoholism! [#162])

You're giving up the waters of life in exchange for broken cisterns, wells without water, clouds that will be carried away by the storm. Read 2Peter 2:19-22: "For of whom a man is overcome, of the same is he brought in bondage. For if after they have escaped the pollutions of the world through the knowledge of the Lord and Savior Jesus Christ, they are again entangled therein, and overcome … it is happened unto them according to the true proverb, the dog is turned to his own vomit again; and the sow that was washed to her wallowing in the mire."

"You are a chosen generation," folks, "a royal priesthood, a holy nation, a peculiar people, that you might show forth the praises of Him Who hath called you out of darkness into His marvelous light. … Dearly beloved, I beseech you as strangers and pilgrims, abstain from fleshly lusts, which war against your soul" (1Peter 2:9,11).

(Issues, Part 13)

You have to fight against the spiritual lethargy and familiarity of the Enemy, My children, because he's out to destroy your link with Me and your lifeline through My Word. Without My Word in your life as a living, changing force, you'll slowly but surely drift further and further away from the standard of My Words

(Desperate for Jesus! [#3250])

Sonora- It's all about fighting the good fight and being ready and yielded for anything. You have got to be **very serious and sober** because the days that are coming aren't for those who want to play around and mess around. You have to make that decision again and again-- The decision to fight and to reject anything and everything that stands in your way. You can't hold on anymore or you'll regret it in the days to come.

It's true that you have gotten a victory through your yieldedness, but that victory has to be strengthened through daily communion with Me, through letting Me speak to your heart, wash your heart, and comfort and love and uphold your spirit; otherwise you'll slowly drift back to your old ways.

This has been your weak area--that of not spending the time you need with Me--and you have to strengthen yourself in this area. Otherwise you will not be strong enough to continue to walk in the victory that I've given you. The Word is what will build up your spiritual defenses against any future attacks of the Enemy. You walk in victory now against today's attacks, against this battle, but you must continue to drink deeply of My Word and My Spirit in order to have the anointing of victory for future attacks of the Enemy. My Word and My Spirit are your only protection against the Enemy's attempts to penetrate and steal away your victory.

You can't let down your guard now. You can't set aside the guidelines that I've given you for your spiritual strengthening just because you've gotten the initial victory. The spiritual warfare continues and you must continue to raise the standard of My Word in your life in order to continue to walk in the anointing and

strength of your victory.

You have the victory, but you've got to fight to <u>maintain</u> it, to hold it fast, and you do that through keeping your connection with Me strong. This would be the worst time for you to let down your guard and think that you can go on without taking time with Me and My Word, because you're not strong enough since you've been under the Enemy's attacks for months. If you let down your guard now and try to go on without the power of My Spirit, you'll be in even worse shape than before because the letdown, discouragement and defeat will be much greater. No one can go on without My power, My Spirit working through them, and the only way to get that power is by taking time with Me.

(Spiritual Attacks Intensified!)

BUT FOR US WHO HAVE A BATTLE TO FIGHT & A WAR TO WIN, WE CAN'T BE CONSTANTLY THINKING ABOUT THE PAST & THE DAYS OF OLD & HOW GREAT EVERYTHING USED TO BE, BECAUSE WE DON'T HAVE TIME! It was very hard for me to break my daydreaming because it had become a habit of constantly thinking of him. I had to fight it with a lot of will power. I was saved & I prayed for the Lord to help me, but it took a lot of will power to constantly say no to those thoughts because I liked to think about him and I wanted to think about him, but I had to stop! You've got to pray of course & ask the Lord to help, but you have to do a lot of it by just refusing to accept those thoughts, or when it comes & you realise it, you must immediately put it out of your mind & fight it! It's a bad habit, & it can get a big hold on you after awhile, so you've just got to break it!

EVERYBODY DAYDREAMS TO SOME EXTENT, BUT IF YOU HAVE A REAL PROBLEM WITH IT, THEN YOU NEED TO FIGHT AGAINST IT! You can stop it, with the Lord's help, & you can refuse to think those thoughts! We all occasionally daydream, but it's easier for some of us not to do it because we haven't let it become a constant habit. But when you have a weakness & you entertain it for so long, it can become a habit. Whether it's daydreaming or thinking negative thoughts or nagging your mate or arguing or whatever it is, it gets to be a habit! Anything you just keep doing, whether it's good or it's bad, becomes a habit, you get into that pattern & you do it so long that you become used to doing it & it's very easy to do. It's like praising the Lord, if you do it constantly it becomes a habit, so of course some habits are very good, but I think this constant daydreaming is definitely a bad one.

(Daydreaming)

I'm asking you to live more in the realm of the spirit, to be more alert, more careful and prayerful, more aware of all that is happening around you-not merely in the physical world but in the spiritual world, where the greatest warfare of this day and age is taking place

(Rising Above)

Wouldn't you think I was horribly negligent if I just let you children play all day long & do whatever you wanted to do? You'd probably be shocked & think, 'What happened to Auntie Sara? She's being terribly careless to just leave us to do our own thing & wander around doing nothing all day on our own!'"

WELL, IT'S JUST THE SAME WITH YOUR MIND.--If you just let your mind wander & play around all the time, daydreaming & just doing whatever you want to do, then you're not going to be doing your job & you won't be any good to anybody! Letting your mind wander would be the same as letting your body just wander around doing nothing! But it's much harder to discipline & control your mind than it is even to control the body. It's both hard to be disciplined by others & to discipline your own self, but it must be done!

(Mind Discipline! [#Maria 050])

The key of determination!

***(Jesus:)* I have given you many tools at your disposal:** the keys, heavenly thought power, the power of praise that defeats the Enemy in any battle. The battle rages hot and heavy, and will continue to increase in severity. However, as you employ these weapons, you will continue to stand strong against the Enemy. You will not be overcome. You will not be defeated.

Many of My brides look at fighting the Enemy in the wrong way. When they are attacked and besieged by him, they brandish their weapons, and if they don't see instant or immediate results, they grow weary and begin to cower. This is not how a war is fought and won. You have the weapons in your hand that have the power to totally destroy the Enemy's power. The only thing lacking is the determination and willpower to use them.

I hold the key of determination in My hand, and I wish to give it to the children of David. This key will be instrumental in fighting the Enemy, and overcoming, and being successful. This key enables you to fight on when you don't feel like it. It keeps you from giving up and surrendering to defeat. This key of determination gives you the strength to persevere-not to give up, but to continue fighting till you see victory.

The key of determination is what was given Jacob when he wrestled with the angel. He would not rest until he was blessed. You must fight the Enemy with the same passion and fervor! Do not rest, do not give in, do not let up in the fight until you have seen your enemy slaughtered, until you have beaten him back so severely he will not dare to show his face again for a good long while. This is the resolution and constitution you must have when you fight!

Fighting the Enemy in full faith and in patience is something that the Family has become weakened in overall. It is partly because people stopped fighting in certain areas; they stopped fighting to keep up the discipleship standard in their lives and Homes, and yielded to compromise, and this weakened each individual's fighting skills.

To defeat the Enemy in these Last Days, each of you, My brides, must pray for and claim the keys for a fighting spirit-one that refuses to give up, and fights on to full and final victory! This, along with wielding the spiritual weapons that I have given you, is what will successfully defeat the Enemy's attacks in every area of your lives.

Often when faced with a battle, instead of looking on it as an attack of the Enemy, you are too quick to write it off as My will, or as how things happen, or something that you can pray about sometime in the future, but that will only change provided it is My will.

It is My will that the Enemy does not exact upon you! It is always My will that you fight him-heart, soul, mind, body and strength. It is never My will for My brides to be overrun by Satan and his imps. My will is that My brides fight the Enemy with all the determination that they possess! Even if they do not possess much, they can claim the key of determination and be filled with staying power to continue to fight.

This desire in the hearts of My brides to want to defeat the Enemy is lacking in many cases. However, I have it, and I want to give this fighting spirit to any of My children who so desire. Those who ask in faith, believing, will receive.

Through the keys of determination you can do it, make it, lift the load, go the distance, uphold the standard, and accept and use your anointing. For the power is not yours, but rather the awesome, world-changing, never-ending, all-encompassing power of the keys. **(Art of War, The, Part 1)**

Warrior Angel: Do you think that just by some miracle you will be all that the Lord's wants without having to get down and bloody? Every step forward is costly at this point, but what else would you rather do? Sit down and quit and accept that it's too hard and full possession is out of your reach anyway? Well what are you living for anyway? The great tribulation is here... are you willing to be a casualty? Because that's what happens to people who don't fight. If you are tired of this talk then, why don't you stop going to this place. No, I am not giving up if you are ready to fight so am I. Let's do this...till utter destruction do us part. We are making progress... every fall, every stumble and time of a bloody nose and a black eye do teach you. Don't despair this is only the beginning. You have crap in you and it's gonna take a beating to get it all out, but it doesn't have to go the hard way every time you know. There's the fighting alongside, instead of against type of way, and that's

what I want you to learn. Be the alabaster box that breaks and fills the house with sweet aroma... that's it — break. Be poured out and that's it. Be used and fight to love it. Fight to praise, if everything is a fight and difficult then by the grace of the keys learn to love it. (End of message)

. **WE'VE GOT TO STIR OURSELVES UP, WE CAN'T BE LAZY & LETHARGIC ANY MORE BECAUSE WE'RE IN AN ARMY**! This thing about fighting & rebuking the Enemy, this is what armies do, they fight! And we should actually have much more the attitude of an army! I think it's good to call ourselves an army, to keep that in front of us, too keep reminding ourselves that it is a fight & we've got to "endure hardness as good soldiers," we've got to "fight the good fight", "the weapons of our warfare are not carnal", "earnestly contend for the faith!" (2Tim.2:3; 1Ti.6:12; 2Co.10:4-5; Jude 3)

WHAT OTHER VERSES CAN YOU THINK OF THAT SHOW THAT WE'RE IN A SPIRITUAL WARFARE & WE'RE AN ARMY? (John: "We wrestle not against flesh & blood."--Eph.6:12) (Fam: "Lay hold on eternal life."--1Tim.6:12) (Teen: "For though we walk in the flesh, we do not war after the flesh"--2Cor.10:3)--Yes, that's a good one too! (Fam: "Put on the whole armour of God!"--Eph.6:11)--Yes! What do you put armour on for, anyway?--For the battle! You'd never think of putting armour on unless you were going to war! (Fam: "The violent take it by force."--Mat.11:12) (Peter: "No man that warreth entangleth himself with the affairs of this world."--2Tim.2:4) (Fam: "The Lord teaches my hands to war."--Psa.144:1) (Peter: "The Lord is a man of war."--Exo.15:3) (John: "Stand back & see Me fight."--Exo.14:13-14) That's a good one for showing we are in a war, true, but right now He wants us to fight! (Fam: "There is no discharge in this war!"--Ecc.8.8)--Yes, that's a good one. (Fam: "Fight the good fight of faith!"--1Tim.6:12) Those are all very good ones.

(Fight for Your Healing!)

Right now it feels painful. Just to pray the prayer hurts, because right now there's not much relief in sight, even if the Lord does answer. Right now you feel like you're caught between a rock and a hard place. The battles you're feeling are difficult, but on the other hand, the victory doesn't look that great either, because victory means acceptance, yieldedness, happily taking up that cross and bearing it with a smile on your face and joy in your heart.

Honey, I'm so proud of you! You're such a fighter! You think you aren't, but you are. You're a fighter, an Amazon woman, a Brunheld, a real warrior of the Spirit! You're used to fighting the Enemy for others. You're used to having faith for miracles for others. You know the Lord will deliver and come through for others. Well, Honey, He'll do the same for you, and more, because of your great love and yieldedness.

As soon as you prayed that prayer, it set things in motion in the spirit world! It released the Heavenly forces to come to your aid, to work in your heart and mind, to calm your spirit and strengthen you in your weak area. Just like I've always taught, the spiritual warfare depends on us! It depends on your choices, and by praying that prayer, in essence you made a choice and you yielded. You have put your yieldedness into words, into action. You've stepped out on the water, and the Lord will hold you up. He will carry you over to the other side and He'll set your feet upon a strong, solid victory.

Right now you feel weak and like you're sinking. Sometimes it seems like the waters are about to engulf you and drown you. It's hard for you to have faith that the Lord can give you the victory, because the battles rage and you seem so weak in yourself. But don't worry, Honey. You don't have to worry at all about how weak or how strong you are, because it's the Lord's strength that counts, and He's the One that's going to pull you through. Just keep reminding yourself of that little song, "God specializes in things thought impossible, and He can do what no other one can do." Doing miracles is His specialty!

(Golden Victories!)

Spirit helper: You are trying, but at this point in time it's not enough. You are looking in too many directions. You aren't angry at the devil. You are lethargic and focusing all your strength on getting through the day physically and as hard as it is I am expecting you to fight more in the spirit. You need to close all the doors ... you still look around and sort of drift. It is going to take a bloody battle to make it through these next years of Earth life.

I am hoping to shake you up. I want to make you uncomfortable and I want to make you see that the devil is fighting you.

To boil it all down and make it simple...I want you to be DESPERATE. I want you to fight and scream and kill the devil! I want you to learn to see in the Spirit and I want you to stop being so carnally minded. I want to see you stirred up and fighting like never before! It's a double edged sword that you have to be pushing in the physical as well as not feeling so well, so you focus on making it through the day still sane, but this is part of the battle, to fight in the spirit and maybe you would have more energy to fight! It's time to say no to the devil and to get mad and angry at what he's done. He has got Apotheon and lethargy sitting on you. He is pressing you hard, but Arcothon is ever present to fight for you. But you have to get stirred up about your spiritual condition! Yes, it's WARTIME. You have to see these things as they are, and fight in the spirit! Too many days pass as you lie in your bed, and say : I didn't get good word time, I didn't try today, I lost today. No, you have to get stirred and fighting! Don't allow the Enemy and condemnation seep in steal away the conviction of the Spirit. Rebuke Satan and get mad! (End of message)

. REMEMBER, THE DEVIL REALLY HATES TO LOSE GROUND, & once he has lost any territory, he often attempts to sneak back in & try to regain it. So KEEP PRAYING & TRUSTING the Lord to PROTECT you & DELIVER you & give the COMPLETE VICTORY you've asked Him for!--And He WILL!--If you KEEP FIGHTING!

DON'T BE LIKE THE MAN WHOSE HOUSE WAS SWEPT & GARNISHED AFTER THE EVIL SPIRIT WAS CAST OUT!--He didn't keep PROGRESSING from there, he didn't FILL it up with the HOLY SPIRIT & the WORD & something BETTER & get busy serving & doing good works for the Lord. So the evil spirit brought back MORE evil spirits even worse than himself, & they entered into the man again because he was empty & not filled with the Lord & the Word & the Lord's Work!--And "his LAST state was WORSE than the first!"--Mat.12:43-45.

HE DIDN'T MOVE IN THE DEMON'S ARCH-ENEMY, THE HOLY SPIRIT, to fill up his house & take over to keep out the unwanted intruders!--So for God's sake & YOUR sake, fill your mind & heart with the WORD of God, & you won't have room for the Devil's darkness! Fill your mind with the Light of God's Word & the darkness will flee of itself!--Amen? PTL!--Keep FIGHTING, & the Enemy'll keep FLEEING!

THE OL' DEVIL CAN'T RESIST SCRIPTURE, THE WORD, THAT'S THE MOST POWERFUL WEAPON YOU'VE GOT!--So quote it out loud, sing it, shout it & praise & thank the Lord for all His goodness! Then get BUSY WORKING for the Lord & helping OTHERS! Idleness is the Devil's workshop! So defeat & drive him away by quoting Scripture, by praising the Lord & by good, positive, active WORK for Jesus

(Lord Is My Deliverer!, The)

A Human speaking: Jesus this is in my heart... deeply embedded and it's causing me to stray from You so easily. Every time something comes up I just fall and Jesus I need You to come in and save me. I am asking You to take this out of my heart. Do whatever You have to, in order to tear it out. I'm scared of You Jesus, but I also know You love me, so I lie down before You. God I let go. I let go. I let go...I let go! Jesus I worship You. I give You glory and I humbly submit my worthless heart at Your feet. I kiss Your feet and I hold onto You for dear life.

Jesus: Sacrifice and forsaking are My tools to mold you. This is earth life so it must be this way. This is the life you are in right now, so must you meet it like a warrior and not shy away from it because you are tired of feeling these feelings. If you grow weary with all that comes with earth life, you must fight harder to praise and to rise above. Because as for now and as for these things you are fighting and facing now, they come with living in the flesh in an imperfect world. You have to meet the despair head on and not allow yourself to dwell on the flesh so much. The flesh is most always going to feel rotten and not wanting to do the things you have to do. It's going to fight you every step of the way, but that's part of growing up in the spirit and having a strong, tough spirit. Remember the flesh is the weights that your spirit has to carry all your life, but this is what will make it stronger than ever before. Darling, meet these things with maturity knowing it's just part of living in the flesh. It's your flesh resisting and crying out. It's always going to be hard for your flesh, for it wants to lie down and just forget that it has responsibilities to Me and that it has to serve Me. It prefers to just put its head in the sand and forget everything. But every day, you have to face reality and pull yourself out of the sand and pull your sword out of its sheath and fight like mad to do the opposite of what you feel like doing. Don't give into the lull of lethargy and doing things in a laid back way. For there's a destiny before you and you can be sure that the flesh doesn't want to follow it. Don't let it be said of you that you just followed the flesh and followed the path of least resistance and gave in to whatever carnal desires you had. But rather let it ring out when you step across the veil that you fought and you didn't give into the pull that so many have. You depended on the spiritual

weapons, rather than your carnal mind. Darling I love you, I know it's hard and your being resists it because it's hard, but don't forget the heavenly vision is to spur you on. It has to envision you when you have no more strength to give and when there's nothing your eyes can comprehend that gives any hope. These heavenly places must fill your heart and these must keep you up when there's no reason inside to keep fighting. (End of message)

Psalms.19:12-14 Who can understand his errors? **Cleanse thou me from secret faults.**

Keep back thy servant also from presumptuous sins; let them not have dominion over me: then shall I be upright, and I shall be innocent from the great transgression.

Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O LORD, my strength, and my redeemer.

I thought You wanted this part and that part, and I've been partly willing to forsake these things, but now I see that You want my whole heart and every single fragment of my desires and dreams. You actually want everything, and You'll throw me into my greatest temptation and test me over and over just to pull every piece of me apart bit by bit... revealing things I didn't even know were there. I've said to You...I forsake it or him or her, but what You were always looking for was my desire. You weren't just asking me to give up this desire, but THE DESIRE. The desire for something that isn't You or of You. And Jesus You'll do anything just to get me to the point of seeing You and realizing that it's all You. All this time all You wanted was me. You've wanted me and these things I fell so hopelessly for were just taking me to that place where I have crashed and burned a million times and as I lie on my back I can look up and see You there. You're pulling and pulling everything away. All the different battles, trials, heartaches and things I have had to forsake were only bringing to the surface what I actually have, and that is my will, my desire, and it's these that You so desperately seek to have. You know I will never be satisfied holding onto them. I have nothing to hold up, nothing to say to You except that I am middle of my picked apart pieces and I can't say I have even succeeded in what You have expected of me and for that I am sorry, but I am willing to keep walking, keep running to find You. Jesus tear them all away. Rip them out of my heart...not just this one thing, but all that I have and cling to. I know this will take long and be painful, but bit by bit Jesus make me Yours.
You know I have no goodness left in me, so take me as small and dirty as I am. I am extinguished and dried but Jesus I still want You. I am still whispering Your name...I still believe. I am willing to do whatever it takes. I know You still have a lot to rip away, but Darling please do it.

Not enough to just feel the flame…you've got to burn the old self away

When something burns up it turns to ashes and it can finally BLOW AWAY. You might cry to see it go, but those tears are maturing you and you are finally taking your place beside those people who died so others could live.

2Corinthians 4: 8,9 We are troubled on every side, yet not distressed; we are perplexed, but not in despair; persecuted, but not forsaken; cast down, but not destroyed.
Romans 5:3, 4 And not only so, but we glory in tribulations also: knowing that tribulation worketh patience; and patience, experience; and experience, hope.

If you are alone…**that is a special gift** because it means you will look for someone. Let that be Jesus.

Look, search always seek and take this gift of aloneness and cherish it. Love Him like you know that's how He feels when you are separate from Him. Don't sit there feeling lonely reach out to the aching heart of Jesus Who has been loving an indifferent and hateful world and has been, for the most part,

rejected and hated…comfort His heart with your love and give your devotion to Him. Devout yourself to His heart and don't leave to chase other lovers. He needs you; so praise and be happy you are alone then you can seek Him out and **satisfy Him like you were created for**.

O Lord, make of me an instrument of Your peace.
O Master, that I may not seek

Not to be understood, but to understand;
Not to be loved, but rather to love;

And in forsaking that we truly gain;
By forgiving, that we are forgiven;
And in dying, that we are born again to eternal life.

1 Timothy 4:15
Meditate upon these things; **give thyself wholly to them**; that thy profiting may appear to all.

My heart is for You and I adore You.

I don't always understand but I believe!!!

Oh, I had a real touch from the Lord last night with that dream, it set me on fire & I didn't give a damn what the System thought! I just socked it to them & the kids caught fire, Honey! They caught fire in spite of the old System damper. It was worth it, it really was worth it in spite of all the danger & the threatening of the Devil! We won, Lord! TYJ! We really won! We set the World on fire! There's a song something like that, about setting the World on fire. "I just want to set the World on fire!"

AMEN, do it, Lord, set us on fire again! Set us on fire again to set the World on fire! Just those few words I spoke at that Hollywood Youth Club set them on fire! Hallelujah! The Devil can't put it out! I can still do it, Honey, the fire is still burning! Hallelujah! The Holy Ghost fire is still burning & it will still set souls on fire, including our teenagers! Set'm on fire, Lord! Make them burn, Lord, until they don't care what happens as long as they can burn free for You! Hallelujah! I've still got it, Honey, I'm going to set the World on fire with our kids, in Jesus' name, amen!

Give me these teenagers, Lord! Give'm to me so I can send them out like firebrands to set the World on fire, in Jesus' name, no matter what the cost! TYJ! Hallelujah! There's an old song, something about "I just want to set the World on fire! I just want to be free!", something like that. Bless in Jesus' name, Lord. Set the hearts of our teenagers aflame to save the World, in Jesus' name. Help them to want to save the World, Lord. Set them on fire, hearts aflame! Set their hearts aflame, in Jesus' name. I really want to set the World on fire & set

aflame the hearts of these teenagers, Lord. Help them to go out & set the World on fire, Lord!--In Jesus' name, amen. Hallelujah!

Do it, Lord! Set their hearts aflame to set the World on fire! Help them to burn for You, Jesus! You know, that's what the Lord used me for once before. I set their hearts aflame & they went out & set the World on fire! We can do it again, these dear young people, our own children, our own teenagers. My God, please set their hearts aflame that they might go out & set the World on fire, in the Name of Jesus!--Whatever the cost! Hallelujah! TYL! I did it! I did it once before! I set them on fire & they went out & set the World on fire! TYJ! Now help our teenagers to do the same, Lord. Set'm aflame, Lord, hearts aflame! Hearts aflame!

LORD, PLEASE SET OUR CHILDREN ON FIRE ALL OVER THE WORLD! Do it, Lord, set'm on fire! Set their hearts aflame that they might win the World, Lord. Let them burn, Lord, for You, Jesus! What's that song, "Let It Burn, Let It Burn, Let It Burn!" "This little light of mine, I'm going to let it shine! Let it shine, let it shine, let it shine! This little light of mine, I'm going to let it burn! Let it burn, let it burn, let it burn!" Lord, Jesus, please let it burn, Lord! Help it to catch fire in the hearts of our children as it did in ours! YOU can do it, Lord! TYJ! Help them to be empowered by the fire of Thy Holy Spirit, Lord, & to be sure to be led by Her in everything they do!--In Jesus' name, amen!

(Dream about Hearts Aflame!, A [#2703])

(Jesus speaking:) **Decisions, decisions, decisions--there are so many decisions, but each one is so very important.** Life is made up of little decisions, little choices to yield, little decisions to obey, little steps of progress. And the fact that you're here today, and have held on through the last weeks, shows that you've been making some good decisions. You've all had to make decisions--very tough, difficult decisions.

I'm proud of you for every good choice you've made--allowing Me to break you, to humble you, to spank you, and to challenge you. But it's not over, My loves, because you'll need to continue to make many decisions--today and in the days that follow. And the outcome of your decisions today and in the days to come will determine your future. It's really a matter of knowing in your heart what you want for your future, and then striving for that goal with everything you possess--all your willpower, all your strength, and every ounce of courage you can muster.

If you look ahead and you know that in your heart you want to be a disciple, and there's nothing else on Earth that you want more than that--no person, no position, no job, no possession, no other ideal or goal--then if you fight for it with all of your heart, you will make the grade. You'll be willing to yield to the humbling today, and in the days that will follow. You'll fight for your spiritual life and your place of service, because it will be the "pearl of great price," something you'll be willing to give everything you have to possess.

You'll want to forsake your pride, your problems, your bitterness, your sins, and anything else that holds you back, because you'll know your future depends on it, and in your heart, you'll know that your privileged place of service is worth whatever it costs you--and it will cost you a lot. You'll know it's worth dying for, forsaking all for, and then nothing will hold you back. You'll want all, so you'll give all.

If you do want to live the life of a disciple, if you feel in your heart that it wouldn't matter if you lost the whole world in order to gain Me fully in your life and be a disciple for Me, then take the stand! Get cleansed, humble yourself before others, get down on your hands and knees and cry out to Me with strong tears and tongues and arms raised, calling out to Me, and I will deliver you, cleanse you, and heal you, and set you on the path that leads to discipleship, the path that leads you to where you want to go, the life you're willing to die for. You won't die in the flesh, but you'll sure have to die in spirit--and not just once, but daily. You'll have to keep fighting, keep forsaking your "old man," keep refusing the proud way and keep actively seeking the humble way, keep reading and living and following the Word.

For those of you who view your life as a disciple as a pearl of priceless value, you're going to fight for it with all of the strength in your heart, mind, soul and spirit. You will take hold of the keys and put them into action, and you will make it. The sacrifices and humblings of today and the days that follow will be insignificant in comparison to what you're going to gain as a result--the deliverance, the progress in spirit, the cleansing and renewal that will keep you on the path to a new, wonderful, beautiful, and awesome life for Me!

So make your decisions today, right now, about how far you're willing to go for Me and what price you're willing to pay. If you're willing to give all, which is what it costs to be My disciple,

then go for it with all of your heart, because I'm with you and am supporting you each step of the way. If you're not so sure you're willing to give all, then be honest with yourself and others and choose another path that's more suited to your goals and desires. And wherever you go and whatever you choose to do, remember that I'll be with you, helping and caring for and guiding you as much as you will allow Me to.

Today is not the day to just go through the motions because everyone around you is having prayer and getting desperate. Praying the prayer and going through the motions just to "go with the flow" isn't what today is all about. Today is about personal honest commitments, personal decisions, and looking deep into your heart of hearts and determining where you stand and what life you want to lead.

I know your heart, and will answer you this day according to your sincerity, honesty, and desperation in spirit. Please don't confess and have prayer just because you think it's what others expect of you. Do it because it's what you expect of yourself, because discipleship is what you want more than anything, and you're willing to pay the full price. Do it because you want to be a disciple, and you expect it of yourself, and you know I expect it of you.

You've got to have the conviction that you would do what I'm asking of you even if you were the only one, even if everyone around you decided against it. That's the kind of conviction you need in your heart right now--not the feeling that you're never going to have any problems from now on or that everything is going to be perfect--but the conviction that you're going to give Me your very best, that you're going to fight for your place as My disciple with every last drop of your willpower, determination and strength, even if you're the only one.

Though you're here as a group, every one of you stands alone before Me. There can be no excuses, no reservations, no half-hearted decisions. Today you've got to shake yourself up and let every excuse or justification fall to the ground. Throw everything at My feet. And then if you are standing before Me, naked and unashamed in spirit, bowing before Me in humble surrender, I will take you and cleanse you, and you will be renewed and clothed with My newness of spirit, and a crown of no-nonsense 100% discipleship will be placed on your head.

If this is what you want, make the decision, take the steps I'm asking of you, and it will be more than worth it for you, and you will have the desires of your heart. You will go on to be a disciple who is ready and prepared for what lies ahead. And that, I promise you, is a decision worth making, and one that if you want it with all your heart, you will never regret. *(End of message from Jesus.)*

To my King

I love You to every full depth and breadth and height that my soul can reach. I love You more than life itself. I love You with feeling that words cannot utter. I love You till the end of time. I love You now and forever.

And why do I love You? Because You have loved me with an everlasting, unending and uncompromising love; a love that is faithful, true and divine, that knows no boundaries. It does not start or stop, but is continuous and always. Thank You, Lord, for such immeasurable love!

I am nothing, and nothing in my hands I bring. In my hopelessness, I lifted my eyes to You. As I looked up and stretched out my arms to You and begged You to take me, as dirty as I was, Your hands were already reaching down. You drew me near, ever so near, until I rested in Your arms. Jesus, I thank You and I praise You for being such a wonderful friend to me.
No one can compare to You, my precious Lord. You are everything, and more than I have been longing and waiting for. I want to love You always and forever. I continually praise You in my heart and declare before the people that You are the only One worth living for. I want to proclaim, for all to hear, that You saved me from destruction and put a new song in my heart and praise on my lips that will never fade away.

Oh my Lord, hold me ever so near You! Never let me go or drift away from You. For without You, life is not worth living, and the light in my life would slowly die and be gone. Thank You for lighting my way, lifting my heart and raising me up. I love You and praise You, my Lord, my friend, my guide, my Savior. I praise You forever and hold You always dear. **(My king and I)**

Thank you that I just die without You…thank You that I hate my life without You in it
