Unity is Your Sample, Your Testimony

(Jesus:) Unity is divine. Unity is one of the most beautiful things in the entire universe. Unity makes Me smile like nothing else can. Unity is balance, order, peace, perfection.

Unity is one of the defining characteristics of the spirit of David and the children of David. Unity is a spiritual gift that you have access to, My Endtime witnesses. Unity causes you to shine as lights in the world, because it is so rare, so special, so outstanding, so striking. Unity is one of the key drawing elements that causes those in the world who are seeking Me and My Spirit to find it in you, My Family. It is vital to your operations, to your happiness, and to your fruitfulness. And, so, of course it is perfectly natural and to be expected that the Enemy will fight it.

(Jesus:) As I told My first disciples about their love being what all men would know them by, unity is one of your defining characteristics, My precious children of David. Unity is your sample, your testimony, the proof of the pudding that My words can be lived and that they work in this day and age.

The ability to live in unity is a gift that I have given you, and you have the means and power within you as individuals, as Homes, and as a Family, to live in unity. The Enemy cannot take that gift and power away from you. However, what he can do, and often does, is try to lie to you and deceive you and make you think that you can lose that power or have already lost it. He tries to conjure up a variety of obstacles, impediments, reasons, and excuses, to cause you to believe that unity is either too much trouble or downright "impossible." Yes, that's one of his favorite words and a tactic that is sadly so easily believed. The best he can do is lie and deceive. He has no power to take what is rightfully yours. Remember that, and let that spur you on to fight for unity, knowing that all that you need to build strong unity is yours--it is My divine gift to the children of David, yours to have. It is your right and privilege to live in unity and harmony with your fellow children of David.

You have to do your part to cause unity to flourish and grow. It is like a seed that is planted, which must be watered and tended. I have given you the gift of unity in the form of the seed, but the flourishing of the plant doesn't just "happen." You have to do your part and you have to work at tending it, but it is your destiny, and it is within your power, and you have the means. It takes some effort to keep unity maintained, or to restore and rebuild it if it has fallen into disrepair--which again would be through your neglect because you have heeded the lies and hopelessness of the Evil One--but it is more than worth the effort.

The power of unity is strong, including both the power and fruitfulness that it gives you as a Home or body, and the drawing power that it has to bring others to Me. Unity is a source of light and power that will become stronger and stronger as the world grows colder and colder.

I said in the Scriptures that one of the signs of the End would be the love of many growing cold (Mat.24:12); and so it is happening, and so it will be that your light of love and unity will shine brighter and brighter. It will become more and more of a draw, a "homing beacon" for My searching and seeking lost sheep. They will be drawn to it as moths to a flame--but this flame will not consume them, but warm them and care for them, and draw them into a happy and loving fellowship with loving and caring brothers and sisters with whom they can share their hearts, their lives, their dreams, their love.

Every effort that you expend in fighting for unity will be rewarded, and then some. When you have to "give in" on an issue for the sake of unity and it takes everything in you to do so, the result and fruit of the unity that is gained from that decision and sacrifice is significant enough that it could be what enables you and your co-worker or team to have the unity that it will take to survive in a life-or-death situation in the future. When there's someone who you naturally just don't like and can hardly abide and you have to desperately call on the keys frequently or daily to see them through My eyes and with My love, the resultant unity of spirit between you and that very person may be the key that later wins a disciple to Me.

Your choices have consequences, and communal living gives you many choices to make daily--choices to do it your way or someone else's way; choices to put yourself first or put someone else first; choices to go out of your way for someone else or ignore their need; choices to communicate and make things right or to be at odds with someone.

Every choice toward unity brings great spiritual power and growth into your life, and into yourHome's overall spirit and its "unity force field," so to speak. The more often each individual is making choices to give, to sacrifice, to share, to care, to love, the more that force field is strengthened. And so, the more it shines and glows, and the greater is your strength, individually but especially collectively.

Unity is like a divine anointing, which transforms your Home into a beacon of light and love and truth, becoming in itself a witness and testimony of My power in dark times. Your unity will draw more and yet more to Me and to you, those who will be your brothers and sisters and who will dwell and work with you, within your happy circle of love and light and peace and harmony. (1)

(Jesus speaking:) Unity comes from the power of God! Unity is a gift of God. Unity is the manifestation of the Spirit of God. Unity is a reward.

As you give of yourselves, as you sacrifice your time, your strength, or your loved ones for the needs of others, you are rewarded with unity. When you love each other and you're willing to humble yourselves, to apologize, to take the low seat, to give the other the benefit of the doubt and to hear them out; when you're willing to work together, even if sometimes you have to sacrifice your own personal desires or preferences, you are rewarded with unity.

Unity is in itself a great blessing, for with it comes the happiness, the warmth, and the joy of My Spirit. Unity is a blessing in itself because it makes you a better testimony to outsiders. They marvel when they look at your communal living. They know and admit that it's a miracle, that something supernatural is happening in your Home for people of so many different walks of life and different generations to be able to live together in such love, harmony and unity.

Unity is a reward in itself because you don't have to suffer the stress and strain and discouragement and condemnation that comes through arguments and discord and not getting along with one another. You don't have to feel that bummer, that tense, uncomfortable feeling that comes up when there are problems between you that are not resolved. So unity saves a lot of time and stress and just generally makes life in your Home much happier!

Unity is a reward in itself, because when you're reaching out to those in need, whether it be the young people, the adults, the children, the single mothers, the single brothers and sisters, your own peers and friends, or your teamworkers; when you're willing to give of yourself, to be a friend, a companion, a lover; when you're willing to take your time to talk to someone who's lonely, or to make someone feel needed and important; when you're willing to open up your life and give your time to that child who needs a foster father; when you're willing to help that troubled teenager who's so confused and seems so rebellious--all of this brings with it a certain satisfaction and reward of spirit.

When you give in this way, even though it may initially be a sacrifice and it may hurt, it's not long before you see the rewards, and it becomes so obvious to you that you did the right thing. You can feel My love in your heart and you have a sense of accomplishment, a sense of fulfillment, a joy and satisfaction in knowing that you made somebody's day brighter, you helped to lighten their load, you helped them not to give up. Through performing these little acts of love and unselfishness to bring unity, you are blessed personally with happiness that can't be taken away. It's not fleeting or dependent upon the circumstances, but it's a gift that I give you--the happiness of knowing that you have been a blessing to someone in need.

So you see, unity has many, many rewards in itself, but the rewards do not stop there. There are other rewards, greater and more magnificent ones that you don't even see, because they happen in the world of the Spirit, the world that is invisible to you. But this world does not need to be a mystery to you, My precious brides. Because of your yieldedness and your hunger, because you create a vacuum to know, I will reveal to you now the workings of this magnificent spirit world, so you will know and understand the importance and the power of unity. You will see why I lead you down the path of unity, and even though it may seem a sacrifice to you, you will know that it is worth it, it is necessary, and it is an important, unmistakable part of My plan.

Unity is the power of God! Unity is not just a manifestation of God or a reward of God or a blessing of God, but unity is the power of God! The greater the unity, the greater the power. If you would be powerful, My people--a powerful witness, a powerful testimony, a financial power--then you must have unity. For these other blessings of God--provision, protection, supply, fruitfulness--will be given from My hand in direct proportion to your unity.

Heaven is unity. Unity is Heaven. Here in My Heavenly Kingdom there is perfect unity. The more united you are, My children, the more you will experience Heaven on Earth! The more united you are, the more people will see a living example of My Heavenly Kingdom.

Unity pulls down Heavenly light, Heavenly love, Heavenly strength! Unity pulls down the riches of God! Unity opens the windows of Heaven so that you can ask what you will, and it shall be given unto you. Unity is the

power of God to create, to love, to answer prayer. Unity is like a force field of protection. Unity is like an endless pot of gold that never runs dry! Unity is like a river of love--rich and full and free!

Unity is one of the secrets to the blessings of God. To be unified in love and obedience to Me and My Word is one of the greatest drawing powers on the Spirit of God.

For this reason, the Enemy fights unity! He has a band of fallen angels specifically trained and designated to fight, attack, and destroy the unity of the children of David. He is not ignorant of or blind to the power of unity, so he has taken some of his strongest demons and charged them to destroy the unity of the children of David. His attacks are subtle. They are not usually blatant, because this would alert you to the fact that it is the Enemy attacking. Instead, he works through ways that seem to you to be reasonable, understandable, logical, so you can easily explain away or justify your lack of unity.

There are so many ways the Enemy attacks unity, yet so subtly, giving many excuses, justifications and reasons why the situation is what it is. All the while he is carefully concealing the fact that these conflicts, misunderstandings and loveless acts are inspired by him. They are attacks from him to destroy the unity and the oneness that I, the Lord, would want to give.

He wants to hinder, weaken and destroy unity. It's not just to make your life miserable and to steal away your joy--although that's one reason, yes--and not just to weaken your testimony so that the light of My love does not shine so brightly through you--and yes, that's another reason--but the greater reason is to stop the outpouring of My blessings of supply, protection, and fruitfulness.

The greater the darkness of this world that surrounds you, the greater must be My blessing, and therefore the greater must be your unity. The unity you have had in the past and in recent years and the unity you have now are not enough for the days that are to come. For gross darkness shall cover the Earth, and though you are called and chosen to be a light in the midst of this darkness, you will not have the power of My Spirit that you need unless you grow in unity.

Unity creates a vacuum and pulls down the blessings of God! Unity has drawing power! And as you wish for your anointing, power and strength to grow in the Endtime, so must your unity grow.

It is not an option or just good advice--it is a requirement! It is the condition that I place upon My people. I can only pour out My blessing, My anointing, My protection and My provision, which brings My fruitfulness, in proportion to the unity that you demonstrate.

You must grow in unity. You must grow in oneness. You must become truly one wife if you are to succeed in the mission that I have set before you.

As you learn more of the unity that I desire, you may feel that the cost is great. But I say to you, beware, and be not foolish in your judgment. The price you pay for the unity that I seek is nothing compared to what you will lose if you refuse to seek and find such unity.

You are My chosen people of the End--My voice, My mouthpiece, My face to the world! I shall raise you up and make of you a great people! My power shall be manifested as never before! There shall be a mighty widening of the eyes of those who look upon the children of David in the End! But you must desire this place, this calling, and this honor above anything! You must be willing to pay any price to secure My blessing and anointing. You must be willing to make any sacrifice to be a united body, one wife.

But I promise you, I swear to you that any sacrifice you make for the sake of unity will be rewarded so greatly that in time there will be no comparison between what you gave and what you received in return. You will look back on the day when you took a stand for unity, when you made a commitment for unity, and you will rejoice with great rejoicing! You will be so thankful that you did not fail, but that you said yes. For you will have seen with your own eyes that the battles at hand could not have been won without My full anointing of power, strength, and love. You will know and understand without a shadow of doubt that this full anointing would not have been possible had you not come before Me in the power of total unity.

Therefore, let unity reign! Let My chosen brides become one bride, one wife. Let there be a marriage of the two generations. Let there be a marriage of those of the same generation. Let there be a marriage of those who are single and those who are married. Let there be a marriage of the national new disciples and the Family-born young people. Let there be a great melting together until you are of one heart, one mind, one spirit, and one body. So will the windows of Heaven open to you, and I will pour out such a blessing that you will not have room enough to receive it! My promises will be fulfilled.

I place in your hands now the key to the windows of Heaven, the key of unity that will open the door and create a vacuum to pull down the blessings of God and make of you My great people for the End! *(End of message from Jesus.)* (2)

(Jesus speaking:) Unity is one of the prime requisites for pulling down My blessings. If the Family is lacking unity, it's because they are disobedient in one or several areas. For to disregard or to pull away from the foundation principles of the children of David is disobedience, and this affects My being able to pour down My blessings as abundantly and richly as I would like to. One of the blessings that I long to give to My children is unity, because unity is one of the greatest testimonies to outsiders. It's also a source of happiness and contentment for My children.

Where unity is lacking there is heaviness of spirit, contention, unhappiness, and the freedom of My Spirit is not allowed to flow as I would wish or as My children desire. So many of the blessings of the Spirit, the things that really make the lives of My children happier and more fulfilled, depend upon obedience, unity and faith.

At this point in time there are many roadblocks to unity, for many have become selfish, self-centered and distant regarding the pillar beliefs or the foundation of the Word--the "old landmarks." *(End of excerpt of message from Jesus.)* (3)

(Jesus:) I say unto you, My elite troops, that unity is a prime requirement. I am even now working in your hearts and lives to bring you together as one, to foster greater understanding, patience and acceptance. I am opening your eyes to your need for one another.

Don't you feel the fire that I have lit in your heart? At this moment it may be just a spark or a tiny, flickering flame. But if you will only fan it with gestures of love and kindness, if you will only blow on it through outgoing concern for others, and reach out as you see your brother or sister in need, then this little tiny ember will grow until it becomes more and more brilliant, and finally bursts into a beautiful, dazzling flame--the heat of My love in all its majesty and power! I want to put in your hearts the drawing power of My love, the bond of My unity. This is the foundation of your preparation. (4)
