DO NOT WAVER PT.2- THE FIGHT TO FOCUS

14TH OCTOBER, 2021

Be a Fighter!

Comments by David Brandt Berg

May God give us fighters who like to fight for the Lord with the weapon of His Word and who enjoy defeating evil and who know they can't lose and who like to win victories! Conquering heroes that like to live and fight and die for Jesus and their brethren and the Truth!

There's no crown without a cross, no testimony without a test, no triumph without a trial, no victory without a battle, no rose without a thorn! That's what you joined the Lord's army for: to fight and to win! Let's get on with the Lord's battle!

Keep on holding on to God's promises!--Don't let go! Keep on standing on the Word!--Don't get off! Keep on going for Jesus!--Don't stop! Keep on keeping on!

Anything can happen in that little margin of time when you do not give up, but keep on believing and keep on praying!

We can't lose! The victory is already ours! Just keep fighting until we get there! If you keep fighting, you can't lose! Keep resisting the Devil, keep raising up the standard of the Spirit, keep wielding the weapon of the Word, and you cannot lose if you keep fighting! "Fight the good fight of faith!" (See 1 Timothy 6:12; Jude 3; 2 Timothy 2:3; 4:7; Ephesians 6:13-17.)

Satan may seem to have a large and increasing army, and the noise and clamor of his forces can sometimes seem to roar louder and make it hard for you to find peace in your heart and mind. Block it out by tightening your helmet of salvation on your head. Make sure it's firmly attached as you prepare the rest of your spiritual weaponry to march into the fray. Set your heart like flint and

charge! We'll win this battle together; we'll fight it together as one. We'll conquer our foes and rejoice in the victory!

Drown out the Enemy so that he hasn't got a chance to whisper a word to you.

Adopt a "Do It Now" Policy!

37. If you want to focus on the power, My brides, you must learn to do as I did and adopt a "do it now" policy. This will help you stay focused, because in doing what I tell you without delay, you will be declaring your faith, and through this stand of faith, **you will ward off the distraction of other things, carnal reasoning, and the impossibilities that try to bring you down.**

38. **You must hear from Me and take immediate action, nothing wavering, without so much as even considering any other possibility or alternative other than calling on the power of the keys**.

If you stop to consider other alternatives, this will lessen the power of the keys, for in so doing, you open the door for the Enemy to get a foothold in your heart and mind with temptation to waver and back down.

39. **You must not look to the right or to the left. You must not even consider any other course of action. You must look straight on to Me alone and the things I tell you to do. You must simply follow through on what I tell you to do.** This is focusing on the power. It's not letting your focus get interrupted with other alternatives, with carnal thinking, with temptations of doubt, with negative input of the world, with anything other than My sure Word.

40. This is what I had to do during My public ministry on Earth. If I was to access the power of the keys to the greatest degree, I had to look only to the power of the keys, call only on the power of Heaven I possessed.

My faith had to be in the power of the keys alone.

I had to **ignore all other possibilities of solutions to the problem.**

I had to look and act on what My Father told Me to do each time and ignore the circumstances around Me. **(FOCUS ON THE POWER)**

***

37. It means looking to Me and refusing to give up. The best way to keep the heavenly vision, to keep My vision before your eyes, is to keep your eyes stayed on Me--to look to Me.

That is the essence of keeping the heavenly vision--keeping your eyes focused on Me.

39. You must decide if I am worth training for, worth fighting for. You must decide if My goals are worth working toward. You must decide if My purpose is worth giving your life for. You must decide if My Word and My promises for the future are worth laying everything else aside in order to obtain that prize. **Then, once you've decided, you must fight to keep that focus, that vision, ever before you!**

40. **Many of you have already made those decisions; but now comes the period of tenacity and determination when you must fight to not lose focus**.

Now you must fight to keep the heavenly vision.

What this means is that, like the athlete, you must train with My vision as your only incentive.

You have the spirit of a warrior! Let Me repeat that: You have the spirit of a warrior! So let that fighting spirit take you over and get aggressive in spirit against the attacks of the Enemy. Block his lies and doubts with your spiritual armor and weapons. That's what it's there for, to deflect every attack launched against you, and more so, to be the instruments of war within your hands to bring about the Enemy's demise.

A Better tomorrow

October 14th, 2021

(PROPHECY)(Jesus:) Gird up thy loins, strengthen thy shield arm, and grip tight the sword of My word! Resist the devil and stand strong on the promises of God. Don't waver, don't doubt, and don't let the battle feel routine in your heart! Sometimes it takes continued fighting, a constant battle day after day with little progress in order to win! Especially when trying to break a bad habit. You know what you're supposed to do, and you do it, but the results don't come the first week, month, or even years, so you begin to think you haven't done enough towards the war effort. You feel discouraged and like I have failed, and down you will go. No My love, look up, look to My promises, look to the end of the tunnel. You're living in the now, and the now tells you you have failed, but hold on, for I have prepared for you a

better tomorrow! Then you will rejoice, and the things of yesterday will seem as only dreams, past experiences that have only made you a better and more hardened soldier. The feelings of now are so strong, so overwhelming, I know, I know how it is; they can seem like a blanket that totally covers your reality, your faith, your vision, your mind. Like a flood it can seem to wash your faith in all I have said away! But it is not so My love. Focus on Me, focus on the power, reach up and grab My hand; let Me pull you above the dark clouds that surround your situation! There is a better tomorrow, a blue sky above, fresh waters ahead, a song to be sung, a melody to the madness and hopelessness of the seemingly endless fight! Look to the heavens, look through My eyes and see the Heavenly Vision! Call on the Keys of determination, Heavenly Vision, Faith, Power, Fighting Spirit, Endurance, Strength, Love, and Trust! The battle is long, but I will not fail; the trails and the tests continue, yet you have not failed, fight on, and continue on no matter how monotonous it feels! Tomorrow you will sing!

It's like a siege on an enemy city; you've got his city surrounded and you're waiting for his troops to starve. I've told you how to go about this battle, and you're obeying; you're fighting to the best of your ability; **your calling on the Keys and hearing from Me.** You're not perfect, but you're trying. So you've been waiting day by day, stopping any supplies from getting in, fighting off his raids, and keeping your troops on all the exits. But it's taking time, you can't see what's going on inside, you don't know how long he's going to last; you're just obeying My orders to keep them in. Don't give up on the long battle, there's great treasures of victory and spiritual progress to be had, if only you will fight on you will have them! Fight My love, you're making progress, you're learning, you're growing! Praise Me for the falls, praise Me for the battle, praise Me for the victories, I love your praises! Fight My love, I love you! (End of prophecy) **(JAMES)**

(Dad:) You are a force to be reckoned with! Once you get out there fighting you have the power, through the Lord's power working in you, to freak the living daylights out of the Enemy!

A classic in the annals of the U.S. Coast Guard is the story of Captain Pat Etheridge of the Cape Batterne station. One night in the howling hurricane, the lookout saw a distress signal from a ship that had gone aground on the dangerous Diamond Shoals, ten miles at sea. The lifeboats were ordered out. One of the lifeguards protested, "Captain Pat, we can get out there, but we can never get back."

Responding to the call of duty, the captain gave the reply that has gone down in history: **"Boys, we don't have to come back."**

The Lord has given us our marching orders. He has commanded that the Gospel be preached in all the world. He has not promised His messengers an easy time. He has not given the

assurance of a safe return to the home base, but He did say, "Go!"

Fell the lies and darkness of the Enemy! Come and wage war with us, for we are on your side! We are the Knights of Victory, and victory alone is what we know! But we need you. Fight with us and put the Enemy back in his place--in Hell, where he belongs!

(Fight for Your Faith, Part 1! [#3667])

You've literally got to put them OUT of your mind. At the very FIRST inkling or FIRST little tiny temptation you've got to resist it & block it out & not let it go any further! You've just got to keep doing that & keep doing that.

I know this sounds like such a simple answer, but it takes a lot of hard work.

You've got to really fight & resist them every time. And even if you slip up sometimes, you can't get all discouraged about it.--Just go back to working on it. That's how you break any bad habit.

(Overcoming Negative Thinking! [#2700])

(Focus On the Power continued)

41. **Through the "do it now" policy, I was allowing My Father's highest will to dictate My life**. There was no room to even consider any other course of action. Through the "do it now" policy, I was putting My faith into action, putting My Father on the spot, and claiming the power of the keys.

42. As I put this instruction into practice, My power was increased. Through putting the Words My Father spoke to Me into action on the spot, I became more fully focused on the power of the keys I held.

Because I was claiming His power, because I took action, **this cancelled out room for Satan to try to come in with the things I now warn you of-carnal reasoning, threats of doubt, and the ways of the world.**

43. Through taking action **instantly** I was **slamming the door** on the Devil's "it can't be done" threats, on his "you can only go this far and no further" spiel, on his "what if it doesn't work?" line, and on his doubts**.**

The carnal mind is the enemy of the power of the keys, and I was not giving My carnal mind room to work because I was putting faith into action immediately and instantly doing what I was told from Heaven. This was the focus I needed to be able to avail Myself of the full power of the keys.

***

Right now the Enemy's out there with his battering rams, landing one blow after the other, hoping to see the walls of your conviction crumble. Don't let that happen! Show him that you're fierce, ready-to-fight warriors, who will not take this attack lying down. Fight back first; ask questions later!

For every impact of his battering rams, send him a volley of blazing arrows and cannonballs that inflicts so much damage and pain, he'll think twice before even attempting another bash against your walls. He's a coward to the core, whereas you are warriors to the core! So show him your stuff. Get him quivering in fright. I mean it!

He's puny and pathetic, so don't let his booming propaganda warfare get the better of you. Boom your conviction and faith and devotion so loudly and strongly in response that you'll get him and his underlings disheartened and retreating in fright.

Take the offensive! Get stirred up! You've got God on your side, for goodness sake, so what in the world are you worried about?! Show Satan you're powerful in Jesus. Show him that you're not afraid of those battering rams of doubts, discouragement, and lies. Push them back into the Enemy's ranks and cause such confusion and mayhem that your opposition turns on each other, slaughtering each other.

You've got that kind of power, so show them who's boss!

Live More in the Spirit Than the Flesh

44. Focusing on the power is a matter of simple childlike faith, and why I so often told those who followed Me that they had to be like children to go to Heaven. It's a matter of believing and doing, of acting on what you know by faith to be true, and a matter of putting your faith into action. This is what focusing on the power is. You've heard these principles, My brides, for many years, yet these habits are not a reality in your lives. Now it must be, now you must make it so, and now with access to the full power of the keys you can do it.

45. To focus on the power you must walk more in the spirit than in the flesh. Remember, I was in the flesh as you are, and like you, I had to learn to rise above the flesh and walk more in the spirit than in the physical realm**.**

I had to learn to walk above the things of the Earth and operate more in the realm of Heaven.

This is what focusing on the power is all about; it's about living more in the Heavenly dimension.

This is what you will need to do in these Last Days.

You must learn to not be concerned about the opinions of men and what others will think, to not lean on carnal reasoning, but to live more in the spirit

than in the things of this world. This is what My prophets of old had to learn-to walk more in the fear of God than in the fear of man-and so must you.

46. Your father David taught you to live in the Word. I have told you to set your affection on things above and not on the Earth. This, too, you've heard for years on end, but **now you must live it. Now being a doer of the Word must be your aim, your goal, and a central point in your life.**

If you are to focus on the power of the keys, if you are to allow the words I speak to you to dictate your life, you must rid yourselves of all that stands in the way of this. Detach yourselves from other things that clutter your life-the cares of the world, the pride of life, anything that opposes My Word.

48. I have given you, My children, promise after promise of the great things I will do through those who access the power of the keys. This will only come by focusing on the power; by putting your faith in My Word alone; by ignoring all other possibilities; by putting Me on the spot; by obeying My Word in every area of your lives; by instant obedience to the things I tell you to do; by burning your bridges to the things of the world; by putting your trust in Me alone; by not only hearing but doing these things.

49. Do this, My loves, and you will discover the full power of the keys. You need not ask, “But we are weak and weary men, how can we do these things?” All you have to do is call on the power of the keys!

Focus on the power! Do it now! Today the keys rule! My Word rules! And the people who focus on the power of the keys will rule and reign with Me in the power and might of the Kingdom of God!
(Focus On the Power)

The Enemy is a liar, and the father of lies! Lies are his specialty, and he has the devilish wisdom to coat them with a little layer of the truth so that you'll swallow them--but they'll be bitter in your stomach and poisonous to your system because they're from Hell, and no good thing comes from there!

152. So lift a standard against the lies and tales that cast doubt on what you've always believed. When the Enemy comes in like a flood, lift the standard of the Word and the Lord against him, and kick him right back out!

Receiving Instruction and Finding My Will!

28. **As you can probably imagine, the gift of prophecy will be of utmost importance for you to be able to get your daily instructions, sometimes even hourly instructions, from Me. You will find yourself in situations where it will be impossible to know what to do unless you can hear My specific, divine Words of guidance. For you will be in unfamiliar terrain.** You will be as a stranger in a foreign land, seeing things you've never seen before. You will sense the danger and you will know that one misstep or mishap could cost you your life, or the lives of your loved ones.

29. **You will have such desperation that your channel will be acutely attuned to Me**. You will not only hear My whispers and feel the nudges of My Spirit, but you will hear My Words clearly and specifically. And because you will have spent much time in practice and exercising your gift, you will have the faith to obey these Words and to know that it is I Who speak.

30. You need this time of practice, not only to hone your skills in being able to hear My voice, but also to build and strengthen your faith, so that you will be willing to obey the instructions that I give you. For I will lead you through My Words to do the unexpected, the unconventional, and if you have not had experience at trusting Me and trusting My voice of prophecy, then you will stumble, you will waver, you will lack confidence and be insecure, asking yourself, "Is this the Lord? How can I be sure?"

31**. So these are the days of preparation in which you listen and obey, so that your faith may grow, so that in the days to come you will have confidence, and you will know that you have heard My voice.**

You will have peace to know that in obeying My voice, you will find safety and provision, and My will will be accomplished.

32. So of course one of the primary uses and reasons for the gift of prophecy in the days to come is to receive instruction, and to be able to find My will and know what to do. Whether you are alone or in small groups, or whether you are the leader of a multitude of followers, regardless of your situation or circumstances, each of you will have great need of hearing My voice and receiving My instruction. And I mean specific, exact, personal instruction, day by day. These Words of instruction will lead you to the people you need to witness to. They will lead you to the source of supply of your needs. They will lead you to protection. They will help you to avoid mishaps, danger, even death.
