What if there's NOTHING

Grasping and grasping

…I feel crushingly empty28-2-21

When everything else is gone--all of yourself, all of your old ways, all of your old feelings and thoughts--you will still have <u>Me</u> and the happiness that I will give you.

(Fight for Life, Part 2 [#3391])

ISA.38:15 What shall I say? he hath both spoken unto me, and himself hath done it: I shall go softly all my years in the bitterness of my soul
There's nothing here for the mind and the flesh to lean on…there's nothing for my mind to take comfort in…there's nothing, God… I don't see anything. I can't do this…my mind won't let me. All I feel and know are these four walls. The pressure's not getting any easier. God, You asked for everything…all I have and I'm faltering; I'm crumbling and losing it…I reach out for some sort of relief and I don't find anything…the world's nothing, but I can't feel or see anything --Jesus, it's killing me. I'm on the verge of tears some days; I feel like I'm going crazy. Hear my heart; because this is what inside…I'm crying to You…please hold onto me.

The Marriage takes place when the soul falls dead and senseless into the arms of the Bridegroom, who, beholding her more fitted for it, receives her into union. But the Consummation of the marriage does not come to pass until the soul is so melted, annihilated and freed from self that it can unreservedly flow into God. Then is accomplished that admirable fusion of the creature and the Creator which brings them into unity, so to speak, though with such an infinite disproportion as exists between a single drop of water and the ocean. The drop has become ocean, but it forever remains a little drop, though it has become assimilated in character with the waters of the ocean, and thus fit to be mingled with it and to make but one ocean with it. (Madame Guyon) (Painful Part 3)

Ps. 119:28 My soul is weary with sorrow; strengthen me according to Your Word.

It's not something that comes naturally or easily, for there are numerous physical things that stand in the way of your really letting go and leaning completely on Me, of your really experiencing Me to the full, and discovering that I am enough, I am everything. With the battles, the testings, the lessons, and the experiences in your lives, I am removing those props and showing you that they're nothing, and you only need Me. I'm driving you to that place where your spirit can truly lean on nothing but Me, want nothing but Me, and taste the fullness of My satisfaction. (Jesus Is Enough [#3611])

My Love is something you can lean on. It will give you strength to carry on. It will sustain you when you feel battle-weary, and lift you when you feel you cannot go on.

(My Heart Belongs to You! [#3080])

8th June, 2021 (Prophecy) The blows will come and will not stop, that's the way of it. Relentless and sometimes brutally painful, but don't do it darling. Don't fight this alone. Don't harden your heart. Bitter truths they are. But to disappear is what you want, to fade away to nothing, to only be My voice, My help to others on their own weary way. But soft you must be. Let it weaken the 'you'. Let it take your feet out from under you and fall…fall…into Me. Don't hold onto it, but let it go. Release it. Free it from its cage. Let it all fly away. Relinquish your hold on it no matter how hard it is. Better to fade away. One more step My darling. Why would you hold it back. Let the force of it push you back into My arms. I will soften the blow, cushion the fall My darling. Come. I need you like this…broken and spent of yourself but ready and desirous to take in Me. Not bitter for the loss but eager for what I will fill the emptiness with. It's not falling back but up and forward. So try to smile through your tears and be glad for the chipping away. Every branch in Me He purgeth it, that it may bring forth more fruit. He loves you that much; knowing how painful it is to get rid of the old man or what you shouldn't be bothered with anymore, because He knows that you want it that much. Oh but the squeezing hurts so bad; I know, I know, but the change it brings about in you is so beautiful to behold .The way it deepens you and softens you My love, can't come any other way, it just can't. You cling to Me and find yet again that I am enough. Over and over, deeper and deeper we go. You close your eyes and feel Me, you breathe Me in and you are at peace; a peace that passes understanding. And it stays with you. You won't forget. Next time you'll remember and it will be a little bit easier. Breathe in darling…breathe out. Yes, it's gonna be ok. And so, we grow a little bit closer. Mmmm… I love that. xxx (Painful Part 3)

6TH AUGUST,2021 My love , you are injured! I have offended you. Come, look Me take a look at it and clean it up and put some salve on it. It will smart for a bit but if you take good care of the injury and be faithful to clean it and put fresh bandages on it then it will heal quickly. But, let Me warn you, if you neglect it and don't change the dressing and wash it clean each day and put the healing balm on it, it will fester and become infected. Faith cometh by hearing the Word My dear so if you are hurt and questioning My ways then you need to come into the Temple and get healed.

When I said I want you to have crazy 'saw off the limb' faith and you followed and embraced that concept, I wanted you to 'feel' in this case, how it is to be falling; falling backwards in the open air! It feels like dying, doesn't it? For a while it is breathe-takingly scary as you free fall. It feels like, you are lost, completely dead! Is it possible I forsook you and I'm actually gonna let you hit the bottom? … (Painful Part 3)

Class on Faith April 18 2022

Ever since Adam and Eve God's true children have walked on this Earth by faith. The Temple that everybody's waiting for, many Christians are waiting for a physical temple but, that physical temple wasn't God's idea it was man's idea. That first king, king Saul wasn't God's idea, it was man's idea. God always wanted it by faith. To believe by faith. Why? Why has He always wanted it by faith? It's never been by flesh, by seeing, touching, feeling. Why? The answer is in the Royal law. The two commands which all the law and prophets hang on. Why? What is it

about?

So you'll love Him by faith. " I'm not looking for Your things Jesus. I'm not looking for anything; I only want You. I want to hear Your Word in my heart singing to me, that's all." The world is completely, except for a very few people, totally fleshed out. And I don't mean fleshed out by grabbing everything, but they are grabbing everything, but their spirits have died.

They're not interested in the Word of God anymore. They go to church... because they want something from God. Something they can touch and see. Just like the days of Noah. It got down to the point in the history of man that there was only one family that God could actually trust to start again with. What's the Millennium going to start with? These people that love Jesus, that love God by faith. We don't need to see anything.

We just love Him by faith.

We go to the Word by faith. We believe everything by faith. There's nothing we can actually prove from the Bible or the Word of God, we can't say" you see right here, this is where it starts. No we can't.

How do we know that we're in the End time? Because all the little things that the Lord has been showing us. Can we prove it? No we can't. It's by faith; we believe it.

He wants to start again. With a little push from God, this decrepit kingdom of Satan is going to crumble. He wants to start again. What is He going to do? Is He going to destroy all of mankind and say I'm done with man; he's unusable. Job is the parallel again. Put enough pressure on all these people, on all the children of God, even the COD, everybody included and they will curse You and die.

So what is it all about? What does Satan fear? He fears being proven wrong. That somebody, even one person will hold on to their faith, by faith. With nothing, but by faith. Will Jesus find faith when He returns? Satan wants to prove God wrong. What did Job have to hold onto? Nothing...His faith in God and he stuck to it. Even though You kill me, I'm still going to believe in You. That's what He's asking of us.

It's very very simple.
Just believe.
Keep believing by faith in nothing. That's the seed He will use. But where do you get faith from? The Word. Only the Word, I guess it does something to you. You don't see it doing something to you. The miracle doesn't just happen in front of you, no it's something happening by faith, in the spirit world, because you are obeying and just reading the Word. If you don't have faith that really is your fault, because you are not reading the Words by faith, again. Another act of faith. " It's not helping me. I'm not feeling better..." but it's all by faith. Keep reading it, that's what it says: read the word and by faith you will pass through.

You will pass through this difficult time. But you want to feel something. You want to see something , so your faith gets eroded, but, He's not looking for that type of person. He's not going to destroy all mankind. There's going to be all sorts of folks in the millennium, but He needs seed to start with. Do you understand the seed He needs? Not a new human, no, the same humans, but there's something inside that seed that's very very different.

That has come through **the tests of faith**

***

I'm slowly taking away your "crutches" and the things of Earth that you lean on, and more and more I'm requiring you to stand on your faith in Me and My promises. It's as if the ground of the physical is slowly eroding beneath your feet, but yet I expect you to stand your ground in the spirit, even when it seems as though you're standing on nothing. You might not be standing on anything by physical standards, but in the spirit you'll be upheld on the wings of faith and courage and by My strength.

(Fantastic Future para. 17)

"Thy shining face can cheer,
This dungeon where I dwell,
'Tis paradise if thou art here,
If thou depart 'tis hell." (Painful Part 3)

And it can be a rather lonely and even somewhat scary thing:
leaving everything else behind, forsaking and abandoning it all and putting it all in My hands, telling Me to do with it what I will, and actively putting Me first in your life.

(Jesus Is Enough [#3611])

Yes, you are My lowly ones, but in time you will see what you took by faith and those who loved this present world will be the ones to regret with great regret(These Four Walls)

***

"It is doubtful if God can bless a man greatly without hurting him deeply."

***

You must see things in the spirit! You've got to choose to see things with the eyes of faith, because there's so much that can never be explained in carnal or fleshly terms. There's so much about the dynamics of the spirit, My spiritual gifts, and the workings of the world of the spirit that you will never understand with your human mind, and which will never make sense to the scoffer, the doubter, or the unbeliever. But that's where faith comes in--faith of a little child, faith as a grain of mustard seed, faith that can move mountains, faith that transforms you and gives you understanding.

To choose the road of faith is a choice you have to make! It's a choice no one else can make for you! But it's a vital choice, because when you lose your faith, then you have lost everything, and you're in danger of becoming alienated from My Spirit. (PFTCOD5)

+++

27-MAR-2021_toughest training course (Kaye)

(Jesus speaking:) You think it's a nice thing to be a Christian? No. In fact it's one of the toughest training courses around. It's not for weak livered and feed-themselves-first slobs. You've got to give everything until you are bleeding and in want. You've got to love with all you have those who have repeatedly hurt you.

You have to give up all you have to gain something you have yet to see or know if it is even real. You have to love a God that takes everything away from you and allows the deepest suffering, and trust that it's going to work out for good in the end.

So, do you want to be a Christian, a true one? It's tough. Yes, you can believe on Me, and love My sweet sugary words. But a full, all the way Christian disciple, are you up for that? It's tough and only for the bravest. That's why I said to count the costs, because those who go only part way and then leave, or worse become traitors, are judged sternly. Only come if you can give all. And keep giving all as your "all" means new things. One day it might mean one thing, and then later on when new things are added to you, "forsake all" means an entirely new thing. But giving all for Me, and loving the brethren fervently is what you are meant to do.

Let's cry together for the pain we feel. I'll cry long and hard with you. You won't cry alone. But remember, all things will work together for good to them that love God.

(Painful Part 3)

JOB.10:1 I will speak in the bitterness of my soul.

I didn't know…it would be this hard. I didn't know that I would lose everything; I didn't know I would feel so alone, I didn't know I feel so weak and at the very end and that I would feel so much like giving up.

It just comes down to loving Me more than yourself and wanting to be in My presence whatever the cost.

I am a fire My love do you still want this burning that is Me? Do you still really want to pay that price?

I will burn anything you feel you can hold onto

There will be no more handles or strengths that you can lean on.

Unless you want to go through more agonizing pain I suggest you come to Me right now and let Me fill that place. It has got to hurt if it is taking you away from Me. I can't let it be if it isn't making you want Me more. If you having those things makes you pull away I will set it up so that those very things hurt you and make you sad.

You say you feel broken?

But isn't that I am after in the first place? I break you down, why are you so busily trying to find something to "fix" it. Why in your frustrations do you step away?

***

THERE'S NOTHING HERE FOR YOU

***

When you trust, believe, and accept things from My Spirit and look at things with My point of view, your spirit will be lifted because you'll be seeing the truth. Once you see the truth and you hold on to it with believing faith, it won't even matter so much to you what the Enemy tries to tell you, because you've heard the truth from Me and you can hang on to it. Pretty soon the Enemy will just take his pile of lies and leave. (PFTCOD 5)

**

Jesus: Take this bitter pill...I am bringing down the hammer. Did you expect anything less when you told Me: **do whatever it takes**. I am doing whatever it takes... do you still want it? Do you want Me that bad? If those embers in your heart are for real then get up again and know that I am doing whatever it takes. Yes, there's more coming and I am expecting you to fight and get serious with Me
...I need you on My side and I need your whole heart in order to win this war. The enemy is looking for ways in, so I need you to stop in your tracks and fall down at My feet for the strength to go on.
You are only a disappointment if you wait now. You are only a failure if you say, "that is enough, I won't follow You".

Ho. 6:1 "Come, let us return to the LORD. He has torn us to pieces but he will heal us; he has injured us but he will bind up our wounds

Ho. 14:4 "I will heal their waywardness and love them freely, for my anger has turned away from them.

You have heard of the saying, "*where there is life there is hope*," and this is true of your spiritual life. The life is My Word, because that is what gives you hope for any situation.
If you have lost hope, then you need more Word. It gives you faith, and as long as you have faith, anything can happen. The best way to have My Spirit is by feeding on My Word and letting it enter you, fill you, feed you, and give you faith, hope and power--power for whatever you need, including strength to overcome your weak areas.

The more you read, the more strength you'll have, and the more the Word will give you the power to overcome and to get over the obstacles with less self-effort. It will give you the conviction to put into action the things you want to do, the things you know you should do, to be obedient and to have all the fruits of the Spirit that you so desire. But you must really soak in the Word and absorb My truths on whatever topic it is you want to grow in. You have to do the "wenting," but reading the Word will give you the supernatural strength to do the "wenting." You can of yourself do nothing and you are nothing, but as you read the Word, it will begin to give you the strength and the inspiration to live in My Spirit and do things the way I would do them, which is loving and helpful and full of life and joy. (PFTCOD 5)

There's nothing more special than the faith you possess and your determination to trust Me, come what may.

The disappointments make you search your heart, they make you examine your faith, and when you do, you'll come down to the core of it all: that very little of the spiritual realm is provable in the physical and that the decision to believe or not is simply based on your choice, not on the facts. That's the way I made it. That's why it's called faith, because you can't see it, you can't prove it.

"More blessed are they who, having not seen, yet have believed" (Jn.20:29).

You can choose to have faith or you can choose disbelief. If you choose faith, you become more powerful in spirit, you are less daunted by the "winds and the waves," the circumstances and conditions that would pull you away from faith, and you grow stronger, not weaker. When you are strengthened in faith, you command more of My power. It's a cycle of victory and growth and greater answers to prayer, greater happiness, greater trust in Me.

Faith is the victory; there's no other way. There's no proof that will satisfy the carnal mind, there's no test that I can be put to that will put to rest these questions once and for all. There's nothing that can supersede the role of faith. Faith is the invisible bridge between what you see and what you can't see. Faith spans the gap and obtains miracles.

Even if you die in faith without receiving the fulfillment of the promise, you are more than a conqueror, because you walked by faith and not by sight, and you did what you were supposed to do and you finished the course.

There are countless things that you don't understand--and not only that you don't understand, but that I'm not going to reveal to you. You hear some things, you understand some concepts, you let Me explain to you some spiritual truths, and then you feel that you should be able to put it all together and sum it up in a logical conclusion that doesn't require faith. But that isn't possible. You don't get to see what's on this side and all the reasons for things and all the mysteries until you get here.

From now until then, faith is the only connection that you have to this side. It's nothing you can see, nothing you can feel, and nothing you can prove. It only exists in the hearts of those who love Me. And when you have faith, you somehow know, even if you don't know at all. There's something beyond the physical, something inside you that makes that link and connection, even though the path is so unapparent to the carnal mind. (PFTCOD 5, But if not Faith)

For our Lord is always there, and He does not suffer you to be tempted above that which you are able to bear, but He makes a way to escape.--Not always to escape from the affliction or the battle or the test, but **you can escape through trusting**.

But you must choose, you must take the step of faith that is for you alone to choose. So be not fearful to undergo whatever it is that is sent your way--your testings, your trials, your purgings. But know that He is faithful to keep you in all your tribulations, and through your tribulations and beyond your tribulations. (PFTCOD 5)

"It's nothing you can see, nothing you can feel, and nothing you can prove."

*

I know it is a struggle, yes, but it is not a struggle without an end.

It's all a matter of your personal connection with Me. I can punch through the clouds that surround you, even when you're battling. I can change your very nature, if you're willing to have Me do so. When you give your heart to Me, I take it and use it to the best of My ability. But when you take something back and say it's for you alone, then I'm unable to change and remake you, and thus you begin to go back in these things. If you choose to let Me keep working in your life, in whatever things you let Me, then I keep working on you and you keep gaining strength and making progress.
(You Can Make It! [#3277])

Faith is more than just a weapon, more than just an action; faith is a way of living, the reason you live, and the substance within you that compels you to live for Me.

Your faith is the evidence that you are Mine. Your faith in Me is what proves to the world that you are Mine. How much proof are you offering? How much evidence can you show for your life?

*

You are God's expendables!--**Created to burn** out on His altar of sacrifice--made to wear out as His tools of design--to die, that others may live.

It doesn't matter where you are or what your ministry is--if that's the Lord's highest will for you, you'll never be happier anywhere else. (ML 3255:38)

When all our hopes are gone & all seems to fail, even when our dreams are shattered & our ships come home with broken sails, we still have Jesus!--And He's all we need! (Comfort [#013])

341. Lord, give me faith! - To live from day to day,
With tranquil heart to do my simple part,
And with my hand in Thine, just go Thy way.

Lord, give me faith! - To trust, if not to know;
With quiet mind in all things Thee to find,
And childlike, go where Thou wouldst have me go.
Lord, give me faith! - To leave it all to Thee,
The future is Thy gift, I would not lift
The veil Thy love has hung 'twixt it and me.

When nothing whereon to lean remains,
When strongholds crumble to dust;
When nothing is sure but that God still reigns,
That is just the time to trust.

'Tis better to walk by faith than sight,
In this path of yours and mine;
And the pitch-black night, when there's no outer light
Is the time for faith to shine.
- Author unknown

(Fight for Life, Part 3 [#3392])

You'll be met with disappointment and frustration time and again if you allow your happiness and well-being to be dependent on things or people, because all of those other things will fail at some time or another. If you're double-hearted and double-minded, you'll live in a constant state of indecision and you'll be unstable in all your ways. But if your heart and life are fixed firmly on Me, then you'll be able to stand strong; come what may, you'll not falter.

I want you to lean wholly on Me and let Me hold you up. If you are to stand strong and firm through the storms of life and not be tossed about by every wind, I must be your foundation, your anchor. Your confidence must be placed in Me and Me alone. I alone can offer you the assurance that I will always be faithful to you and will never fail you

(Exposing Bacchus! [#3402])

“You can escape through trusting.”

Circumstances and events don't have to control you. With the Lord's help and with the right positive attitude, you can go through any changes, any disappointments, any circumstances, and come out happy. There's real power in the spirit, and you have the opportunity to choose what kind of spirit you want to be in, whether up or down. It's often the tests in life that can really bring out the best in your attitude, if you'll let them. It's not a test to stay encouraged when everything's going right, but it's when things go wrong in life that your attitude and faith get tested. (PFTCOD 5, But if not Faith)

The Lord has all the power and strength you need for any situation. All you have to do is look to Him and draw on His strength to overcome any difficulty. Just ask Him to change things around. If He can't change the circumstances, then He can help you to change how you feel about things. It's a wonderful thing to have the power of Jesus ready to help you.

There is no situation that is outside the reach of My love. There is no heartache that I will not heal. There is no situation that is completely bad, because there is always something good that will come from it, for those who trust in Me.

Though you feel the loss today, there will come a time when these tears and this loss will be forgotten and we will be **together** forever. At that time you will be so grateful that you continued on in faith; that you kept fighting, that you kept believing; that you kept trusting in My Love; that you were willing to let go of your natural mind and your carnal way of looking at things; that you forsook the Enemy's lies … and you were willing to receive My Words of truth that this is from My hand and it is My Love and it is part of My plan for you and for many. (PFTCOD 5, But if not Faith)

I don't know how I'm going to make it Jesus…I'm sorry

I do not underestimate the great cost that this is to you, but neither do I underestimate the rewards for your sacrifice.

If you're ever tempted to feel discouraged, or lost, or if you're struggling in the situation where I have placed you, just remember the heavenly vision. This world is not your home, you're just passing through, and your time on Earth is but for a moment compared to eternity. Yet remember too that the most trying places throughout your life are where you are going to grow in faith the most, be the most strengthened, and be the most useful to Me. This is a **promise**. You may feel you have yet to see this promise fulfilled, but you will see the fulfillment as you put one foot in front of the other and walk on into the destiny that I have for you

(Apples Of Gold, Part 2 [#3662])

You know what makes our life so hard?

It's completely BY FAITH.

There's nothing to hold, nothing to feel, nothing to touch and know, there's just FAITH and the assurance of the His Word that says keep BELIEVING.

He was better to me than all my hopes,
He was brighter than all my fears;
He made a bridge of my broken works,
And a rainbow of my tears. (Comfort [#013])

This isn't something you feel, imagine, or use as an escape from reality. It's something that becomes real to you when you find yourself with nothing else to lean on, no earthly supports, and when I come alive to you. When you love Me intimately, and frequently, and make this passionate love a part of your life, then this seals My place in your life. (Jesus Is Enough [#3611])

"You've already been in this desolate place…You've already been here and You've made a way."

…longing and longing for something I can't find.

March 16th

Jesus: yes, there's nothing. There's nothing here for the flesh. I built this place and put you here for your spirit. I knew that it would be hard. I knew that it would hurt your physical form—your heart, your mind and your body. But you are more than all those things…you are a spirit. And your spirit is inextricably linked to Mine; you are My bride. Right now your fleshly body is getting in between you and that knowledge…and that is why I must hurt and cut down the flesh. I must do this, so you can look into My eyes and see Me. I must purge and I must kill the old you and make again a better vessel. Your flesh doesn't want My will and doesn't want to yield. It doesn't want to have to sacrifice itself, but what good can that do for Me? Preserving yourself, keeping yourself safe from suffering will not strengthen your spirit and in the end you will abide alone. You can't run away from this, My love. If you truly want to grow then you must face this suffering head on. You need to grapple with it and let it change you. You've been running, but you have to stop and come to My arms and accept what I've done in your life. Accept it and let it strengthen your spirit. Lie down and let it be so. Let go and say yes to the sacrifice and whatever is eating you every day. Then I will take your hand and we will move on together. Yes. I expect you to just believe; I expect you to trust Me and let Me hold the wheel. There are a lot of things you can't see or understand, but I am GOD, and you are not, so can't you let Me have those things too? You are going to have to struggle hard, and fight hard to reach My will for you, but it will be worth every second of the battle.

Read this again…really read it:

The flesh and the carnal world are only for a time. They will pass, and your spirit will leave this body and will go to another place and be housed in a spiritual house, and what you have there will for the most part be framed and built upon what you gained while on Earth--by your choices on Earth to either grow your spirit or to feed your carnal ways.

It simply comes down to the fact that you are first and above all a spiritual being. And only when you learn that happiness, fulfillment, and satisfaction only come through satisfying your spiritual nature will you be truly happy. As long as you're giving anything carnal--any carnal desire, any carnal nature, any carnal proclivity or tendency--a higher priority than the needs of your spirit, you will not find true satisfaction.

Because you are naturally so earthbound and so steeped in the carnal nature that your forefathers chose, and which you were born into, that is your natural direction, the one you would normally choose. But when your spirit begins to grow and mature through experience, then you begin to learn that those choices don't really satisfy your spirit. They may satisfy your body temporarily, but the only thing that satisfies your spirit are choices made for Me.

That's why it all comes down to "Jesus is enough." I am enough because I am all the things that satisfy your spiritual needs. I am love, I am kindness, I am gentleness, I am longsuffering, I am mercy. I **am** the satisfaction of your spirit. **It is Me**. I am the tree that contains the fruits that satisfy **you**. And by "you," I mean what you primarily are and what you were primarily created as, and that is a spiritual being. It just so happens that you are housed in a physical body and a carnal nature, so your proclivity is to go the carnal way and make carnal choices. (Jesus Is Enough [#3611])

“My Word can make you into anything you want to be. It's really so simple. You become what you read because the Word, if you read enough of it, will fill your mind and heart so much that you will become one with it, and its strength and power will help you be whatever you need to be.”

Help us to fight with everything we have within us every second, every minute just to reach YOU.

Finally I understood that this was going to be the key, the secret, the victory; this would bring triumph every time. This was how I would be able to rise above--by yielding My fleshly mind, heart, body and soul to fully receive My Father's Spirit. By receiving His Heavenly Spirit, by allowing Him to rest fully on Me, to have full sway with Me--this is how I was able to rise above. (Rise Above)

I want to see something? I want to know for a fact? Why can’t I just believe by faith? Why, why, why…do I question You? How dare I!! Please don’t leave me…even though I am in unbelief.
25-1-22
In the end, when everything is finished and everyone is ready to walk away, when the song is over and the melodies that you listened so earnestly to are just a memory... that's when you see Me standing there as always. I am standing above all that's cluttered up your life and My eyes are begging you to look deeply into Me. When you see, that none of those things that have kept you from Me are worth it, when you realize that you'd rather die than live without Me, then I draw nigh to you. When you can sincerely sing through your tears, that you can't live without Me...at the real cost of everything you hold dear... you don't care to have them if they keep you from Me. And in the end you can say, I count them a loss if they keep me from You because in reality I CAN'T LIVE WITHOUT
YOU.

…tears of letting go are so hard to cry

I call on the Keys. I call on the Keys. I call on the Keys. I call on the Keys.

This is the place where I don’t feel alone…

I sware unto thee, and entered into a covenant with thee, saith the Lord GOD, and thou becamest Mine. **EZE.16:8b**
Jesus: Let this verse burn itself in your heart and mind. Let the words be your beacon in the dark. You are looking around for a light to somehow get you through this unbearable nothingness. This oppressive realization that there is nothing here for you in this dark place, that I’ve taken it all away and the only way is forward further and further away from anything that you could have held in your hand. Gone? Gone? Gone? This breaks your human heart and I get it. I get that you are feeling the blows of realization that there can’t be anything in your world but Me. It’s hard on your mind and you ache at this state of nothingness. But wouldn’t you rather be called Mine than of this world? Being Mine doesn’t only mean I’ll take care of you…it also means you are Mine to do with as I please…I sware unto you and we made a covenant and that’s where you have to trust that I will do a good thing with you. Can you? Can you? The

temptation to refuse My will is so strong you don't know what to do with yourself some days… you feel the heaviness and it's a holding on sort of atmosphere. But you can't forget what you are holding on for. Even if there's nothing here in this world for you, even if you have only My Word as that beacon shinning out the way, even if everything you try to get your hands on breaks apart in your grasp can't you hold on for that one purpose that is always burning on that Mountain? I do this to you because we made this covenant together. You told Me you wanted this. You might have not realized the whole deal, but here it is and you can decide again. You can choose; I can't force you, but I would love it if you would promise and stay true to our covenant. Please understand, that I only pull the mat out from under you because I want you to fall on Me and see at last that you can make it through without these things that fill the world. What if there's nothing? What if? Will you keep going anyway? Even if nothing's yours and your empty-handed…what if? What will be your answer, darling? WHAT IF I AM ALL THERE IS FOR YOU?
